Report of the Selectmen

Within the pages of this, the 164th Annual Report of the Selectmen of the Town of Waterboro, you, the citizens of the town, may read of the programs of the various departments of our government and the methods used to carry out the wishes of the citizens as expressed in town meeting.

We are pleased to again report that the town has no indebtedness. Prior to the last three years, or from 1920 on, we have paid many thousands of dollars for interest on bonds and notes for town borrowings. Payments of interest benefit none except those loaning the money. The liberality of the 94th Legislature gave us an opportunity to stop interest payment and today we enjoy a boom not given to many towns in the State. We believe that our citizens desire that we shall remain free from debt and that we should use extreme caution before contracting costly obligations.

The work of Road Commissioner Guy E. Bagley again deserves special commendation. His work on the Cotton Road, on the Pound Hill Road, on Mill Street at South Waterboro, and on Pearl Street in that village has not been of the "patch" variety; rather has he striven to perform work of an enduring variety, which has received our approbation in every respect.

For the general cooperation of the great majority of our citizens with our efforts, we return our hearty thanks and again assure you that we shall do everything in the future, when given the opportunity, to keep the town on an even keel and, always, solvent.

ERNEST G. KNIGHTS
PERCY H. ABBOTT
WILLIAM H. HANSON

AUDITOR'S REPORT

January, 1950-February, 1951

December 11, 1951

Board of Selectmen
Town of Waterboro
Waterboro, Maine

GENTLEMEN:

In accordance with your request, we have audited the records of the Town of Waterboro, from the period ended January 31, 1950 to February 1, 1951.

The examination was made in accordance with generally accepted auditing standards, and included all procedures which were considered necessary. Insofar as could be determined, within the scope of the examination, the financial affairs of the town appear to have been administered in a proper manner.

The results of the audit are disclosed in the exhibits and schedules embodied in this report, and fairly present the financial position of the Town of Waterboro, and the result of its operations for the period ended January 31, 1950 to February 1, 1951.

Respectfully submitted,

L. EVERETT OUTHOUSE

leo/o

1951 ADITOR'S REPORT

L. Everett Outhouse
Public Accountant and Auditor
Portland 3, Maine

February 23, 1952

Board of Selectmen,
Town of Waterboro,
Waterboro, Maine.

GENTLEMEN:

In accordance with your request, we have audited the records of the Town of Waterboro, Maine from the period ended January 31, 1951 to February 1, 1952.

The examination was made in accordance with generally accepted auditing standards, and included all procedures which were considered necessary. Insofar as could be determined, within the scope of the examination, the financial affairs of the town appear to have been administered in a proper manner.

The results of the audit are disclosed in the exhibits and schedules embodied in this report, and fairly present the financial position of the Town of Waterboro, and the result of the operations for the period ended January 31, 1951 to February 1, 1952.

Respectfully submitted,

L. EVERETT OUTHOUSE

NOTICE TO DOG OWNERS

Your 1952 Dog License will be due and payable April 1st. If unpaid by June 1st you will be notified by mail and an extra fee of 85¢ added, as permitted by law, then, if unpaid you may be summoned into court, which will cost you several times the cost of the license.

Do not look for any Collector to call. This is a license, not a tax, and it is up to you to see that it is paid.

See Revised Statutes, Chapter 5, as amended.

Town Clerk's Report

REPORT OF THE PUBLIC HEALTH NURSE

I herein submit a brief report of service rendered the town of Waterboro by the York County Tuberculosis and Health Association for the period beginning January 1, 1951 to January 1, 1952.

Medical efforts have been notably successful in the eradication of Smallpox, Diphtheria, Whooping Cough and other common contagious illnesses. In the control of Tuberculosis, success has been less marked because no vaccine has been developed which is completely effective to the entire population. The Tuberculin Patch tests are an effective means to finding tuberculosis, with a follow-up of chest X-rays. Tuberculosis causes more deaths than all other infectious and contagious diseases.

Our activities consist of School Health Program and constantly working to find and eradicate tuberculosis.

One hundred and fifty-four students received Tuberculin Patch tests. Three positive reactors were found. Arrangements were made for X-rays of students and their families at the State Diagnostic X-ray Clinic in Saco.

Also X-ray appointments were made for routine check-up on suspected tuberculosis cases.

Annual school inspections completed in all schools:
Number of pupils examined 150

Number of pupils with no dental defects	44
Number of pupils with defective teeth (deciduous) ..	69
Number of pupils with defective teeth (permanent)	55
Number of pupils with defective throat	8
Number of pupils with defective vision	6
Number with evidence of pediculi	5

Number of pupils with the following corrections made during the year:

Teeth	28
Throat	7
Vision	4

Some special school inspections were made and several home visits made to discuss individual health problems and to assist families in making corrections.

Audiometer tests will be given early in the new year of 1952.

I wish to express my appreciation to Mr. Wright, Superintendent of Schools, teachers and citizens for their cooperation during the year.

Respectfully submitted,

York County Tuberculosis and
Health Association

By: NELLIE P. SAWYER, R. N.

Public Health Nurse

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Superintending School Committee, Citizens of Waterboro, it is again my privilege to submit the annual report of schools:

Elementary enrollment this year is 157. They are registered and classified in the various schools as follows: South Waterboro, grade 1, 11; Grade 2, 12; Grade 3, 17; Grade 4, 15; Grade 5, 11; Grade 6, 10; Grade 7, 22; Grade 8, 14; total, 112. East Waterboro: Grade 1, 3; Grade 2, 6; Grade 3, 7; Grade 4, 8; Grade 5, 5; Grade 6, 4, total, 33. North Waterboro: Grade 1, 3; Grade 2, 2; Grade 3, 6; Grade 4, 1, total, 12. Enrollment of high school students will be found in the report of the High School Principal. Four secondary pupils attend Sanford High School and are taking occupational courses. There has been no serious interruption in attendance.

Teaching personnel remains the same with two exceptions. Miss Frances Coombs of Yarmouth was engaged as high school assistant to fill the vacancy caused by the resignation of Miss Patricia Miller.

During the fall term we were fortunate in securing the services of Mrs. Agnes L. Tibbetts of Springvale as supervisor of music.

Last summer the two classrooms at East Waterboro were redecorated and fluorescent lighting installed. Fluorescent fixtures and other necessary material have been purchased for installation at South Waterboro during the coming year. Major improvements have been undertaken at North Waterboro. Last fall a well was driven. Flush toilets and lavatories were installed.

The sewerage system for these was begun and will be completed in the spring.

Beginning with 1952 the State will adopt a new method of distributing state aid to schools of the different municipalities. According to a recent law, towns will be classified in nine categories to be determined by state valuation per resident pupil. The procedure consists of dividing the latest state valuation by the total number of resident pupils attending school either in or outside the town. This determines the category in which the several towns belong and shows what percentage of school costs is to be paid by the state.

Consideration is being given by interested citizens of Waterboro and neighboring towns to the building of a regional high school in this area. The advantages of such a school over present secondary facilities have been presented so many times that repetition on my part is not necessary. It is a project, however, that should be very seriously considered and acted upon.

Recently the legislature passed a law known as the School Building Authority Act. Under this Act the State will finance the building of schoolhouses and the towns taking advantage of the Act may reimburse the State on a rental basis over a period not to exceed forty years.

In closing I wish to express my appreciation to the citizens and all school personnel for their helpful co-operation during the year.

Respectfully submitted,

MAYNARD E. WRIGHT,

Superintendent of Schools

REPORT OF THE PRINCIPAL OF HIGH SCHOOL

To the Superintendent of Schools, the School Committee and the Citizens of Waterboro:

I hereby submit my annual report as principal of Waterboro High School.

The school year of 1951-52 began September 4th with an enrollment of 33.

The registration at this time is the same, with the enrollment by classes as follows:

Class	Boys	Girls	Total
Seniors		5	5
Juniors	1	4	5
Sophomores	4	4	8
Freshmen	8	7	15
	—	—	—
	13	20	33

For two successive years the graduating class has raised enough money to take one of the school tours. Last spring the members of the graduating class took the New York and Washington tour. In Washington they visited all of the buildings of the National Government, attended a session of the House of Representatives, also visited Mount Vernon and the Naval Academy at Annapolis. We feel that these tours are very educational and worthwhile. The present senior

class is industriously working toward a similar trip this year.

The school has taken part in the usual CYCL events. The usual school activities are planned for the spring term. Baseball, track, checkers, public speaking, and the Seniors with help from the underclassmen are hoping to put on a Senior play in the month of March.

We are all interested at the present time in the prospects of having an Area High School. We fully realize that some prospective students, desiring training in special courses must attend larger schools to obtain that training. Of course we have no facilities for special courses. We do offer a choice of General or College Course.

I wish to express my appreciation to all citizens and school officials for their cooperation during the year.

Respectfully submitted,

E. S. MARSHALL,

Principal

TOWN WARRANT

STATE OF MAINE

County of York, ss.

GREETING:

In the name of the State of Maine, you are hereby commanded to notify and warn the Inhabitants of said Waterboro, qualified to vote in town affairs, to assemble at the Town House in said town on Monday, March 10, 1952, at 10 o'clock in the forenoon, then and there to act on the following articles, to wit:

Article 1. To choose a Moderator to preside at said meeting.

Article 2. To choose all necessary town officers for said town for the year ensuing.

Article 3. To see what sum the town will grant and raise for roads and bridges for the year ensuing.

Article 4. To see what sum the town will grant and raise for winter roads for the year ensuing.

Article 5. To see what sum of money the town will grant and raise for the support of charities for the year ensuing, the same being in lieu of former appropriations entitled: Support of Poor, and including monies to paid for Old Age Assistance, Aid to Dependent children, etc.

Article 6. To see what sum of money the town will grant and raise for incidentals for the year ensuing.

Article 7. To see if the town will vote to pay the Tax Collector on a percentage basis at the rate of $1\frac{1}{2}\%$ of all taxes collected, starting with the 1952 Commitment. On petition of J. Millard Hughey and thirteen others.

Article 8. To see if the town will grant and raise the sum of \$1,910.00 to pay town officers' salaries for the year ensuing.

Article 9. To see what sum of money the town will grant and raise for Free High School, Common Schools and text books and supplies for the year ensuing.

Article 10. To see what sum the town will grant and raise for repairs, improvements and insurance for school buildings for the year ensuing.

Article 11. To see if the town will grant and raise a sum of money for a public health nurse for the year ensuing.

Article 12. To see what sum the town will grant and raise for State Tax for the year ensuing, said sum, if granted, to be applied to the cost of winter roads for the year 1952-1953.

Article 13. To see what sum the town will grant and raise for County Tax for the year ensuing.

Article 14. To see if the town will vote to grant and raise the sum of Two Hundred Dollars (\$200.00)

for the maintenance of a town dump for the ensuing year.

Article 15. To see if the town will vote to grant and raise a sum of money, and how much, for observance of Memorial Day.

Article 16. To see if the town will grant and raise a sum of money for the construction of a section of State Aid Road for the year ensuing, and if so, how much.

Article 17. To see what sum the town will grant and raise for street lights for the year ensuing.

Article 18. To see if the town will vote to authorize the Selectmen and Treasurer to borrow money on the credit of said town to pay current bills, and in anticipation of taxes for the year ensuing.

Article 19. To see if the town will grant and raise a sum of money to aid the Waterboro Fire Department for the year ensuing, and if so, how much.

Article 20. To see if the town will grant and raise a sum of money for the benefit of the continuance of the reforestation program, and if so, how much.

Article 21. To see if the town will grant and raise a sum of money, to be used in conjunction with Red Cross funds, for the maintenance of a dental clinic for school children, and if so, how much.

Article 22. To see if the town will grant and raise a sum of money for the further improvement of Osipee Hill road from the end of tar to the residence of

Nellie Thompson, by the preparation and use of tar thereon, on petition of S. Peter Starrett and sixteen others.

Article 23. To see if the town will grant and raise the sum of Fifty Dollars (\$50.00) to be paid to the Maine Publicity Bureau and used for advertising the natural resources, etc., for the State of Maine.

Article 24. To see if the town will vote for the privilege of controlling the gate in the dam on the outlet of Little Ossipee Lake, known as the Chadbourne Mill Privilege, from June 1st to Labor Day for each of the years 1952, 1953, 1954, 1955, and 1956, the Selectmen be authorized to enter into and execute an agreement on behalf of the Inhabitants of the town, with the Central Maine Power Company, whereby the Selectmen of the town are to have full control and management of the operation of the outlet gate in said dam from June 1st until Labor Day for each of said years, and whereby the town is to pay to the Central Maine Power Company for said privilege a sum of money annually equal to the sum of Seventy-five Dollars (\$75.00) plus any, and all, municipal taxes laid or assessed on said property for such year; and whereby said Company is to repair and maintain the outlet gate in said dam so that the leakage therefrom shall not be unreasonable, and that all monies payable under this article shall be taken out of the Contingent, or Incidental funds of said town.

Article 25. To see if the town will vote to authorize the Collector of Taxes to charge interest on unpaid taxes on September 1, 1952, interest to commence October 1, 1952, at the rate of one-half per cent per month.

Article 26. To see if the town will vote to grant unto the Selectmen authority to convey by quit claim deeds any real estate in said town to which it has gained title through matured tax liens or other property of said inhabitants.

Article 27. To transact any other business that may lawfully come before said meeting.

The Selectmen hereby give public notice that for the purpose of correcting the check list of voters, they will be in session at the Town House, in said town, on the eighth day of March, 1952, from 1 o'clock until 4 o'clock P. M.

The Selectmen give further notice that the polls for the election of Town Officers under Article 2 of this Warrant will be opened fifteen minutes after the completion of business under all other article in this Warrant, and remain open until 7 o'clock of that day.

Witness: Our hands at said Waterboro, Maine, this twenty-sixth day of February, A. D. 1952.

Thrift Is Not Self-Repression --- It Is Self-Expression

Thrift and prosperity have gone hand in hand since Abraham's flocks grew and multiplied. Thrift is not, as many suppose, a self-repression. It is self-expression, the demonstration of a will and ability to raise one's self to a higher plane of living. No depression was ever caused by people having too much money in reserve. No human being ever became a social drifter through the practice of sensible thrift.—Harvey A. Blodgett

ROBERT ALLEN CLOUGH

Robert Allen Clough was born in Lyman, Maine, August 20, 1923.

Mr. Clough attended Waterboro High School, graduating from Waterboro High in the Class of 1941.

Robert took up photographic work at his home in East Waterboro.

"Bobb," as he was familiarly called, was a member of Waterboro Grange and the East Waterboro Baptist Church.

Elected Selectman for a one-year term in 1949, and for a three year term in 1952, serving for the Town of Waterboro until September 3, 1952 when his duties here were called to an end.

L. EVERETT OUTHOUSE
Public Accountant and Auditor
Portland 3, Maine

February 9, 1953

Board of Selectmen
Town of Waterboro
Waterboro, Maine

Gentlemen:

In accordance with your request, we have audited the records of the Town of Waterboro for the Municipal year ended January 31, 1953.

The examination was made in accordance with generally accepted auditing standards, and included all procedures which were considered necessary. Insofar as could be determined, within the scope of the examination, the financial affairs of the Town appear to have been administered in a proper manner.

The results of the audit are disclosed in the exhibits and schedules embodied in this report, and fairly present the financial position of the Town of Waterboro, and the result of its operations for the Municipal year ended January 31, 1953.

Respectfully submitted,

L. EVERETT OUTHOUSE

NOTICE TO DOG OWNERS

Your 1953 Dog License will be due and payable April 1st. If unpaid by June 1st, you will be notified by mail and an extra fee of 85¢ added, as permitted by law, then, if unpaid you may be summoned into court which will cost you several times the cost of the license.

Do not look for any Collector to call. This is a License, not a Tax, and it is up to you to see that it is PAID.

See Revised Statutes, Chapter 5, as amended.

**TOWN CLERK'S REPORT ON
DOG LICENSES**

During the year 1952, there were one hundred fifty-five (155) dog licenses issued from this office. In addition there were two (2) kennel licenses issued.

These licenses represent two hundred sixty-three dollars and thirty cents (\$263.30) which was received and paid to the Treasurer of the State of Maine on and before December 31st, 1952.

The following licenses were issued:

Eighty-five (85) males	\$ 76.50
Twenty-six (26) females	127.40
Forty-four (44) spayed females	39.60
Two (2) kennels	19.80
	\$ 263.30

Respectfully submitted,

HARRY A. SMITH,

Town Clerk.

REPORT OF THE PUBLIC HEALTH NURSE

I herein submit a brief report of service rendered the Town of Waterboro by the York County Tuberculosis and Health Association for the period beginning January 1, 1952 to January 1, 1953.

The School Health Program is made up of the procedures that contribute to the understanding, maintenance and improvement of the health of the pupils and school personnel, including Health Services, Health Education and Healthful School Living.

School Health Services are the school procedures which are established to:

1. Appraise the health status of the pupils.
2. Counsel pupils, parents and other persons involved concerning appraisal findings.
3. Encourage the correction of remediable defects.
4. Help plan for health care.
5. Help prevent and control disease.
6. Assist in emergency care for the sick and injured.

Annual Health Inspections completed:

Number of pupils examined	166
Number of pupils with no dental defects	51
Number of pupils with defective teeth (deciduous) ..	74
Number of pupils with defective teeth (permanent)	59
Number of pupils with defective throat	15
Number of pupils with defective vision	14
Number with evidence of pediculosis	3
Number with ringworm and impetigo	4
Number of pupils overweight	2

Number of pupils with the following corrections during the year: Teeth, 62; Throat, 2; Vision, 5.

Twenty-five school children were transported to Saco, by Mr. M. E. Ricker, Mrs. Frank Bean and the nurse, to Dental Clinic; six sessions of one-half day each. The Dental Clinic was sponsored by the local Red Cross and the Town. This is an extremely worthwhile project and it is hoped that it can be continued throughout 1953.

Audiometer tests and Tuberculin Patch tests were given in each school.

Many home calls made regarding health problems of the school children, and follow-up on tuberculosis.

With many thanks to parents, teachers, town officers and Superintendent of Schools for their cooperation throughout the year.

Respectfully submitted:

York County Tuberculosis and
Health Association

By: NELLIE P. SAWYER, R. N.
Public Health Nurse

REPORT OF THE SUPERINTENDING SCHOOL COMMITTEE

With the close of the 1952 fiscal school year, we believe that the Waterboro school year will come to a most successful conclusion. Let us pause a moment and briefly reconstruct the changing history of events which have transpired here this past year.

In keeping with the State Department of Education, suggestions and recommendations, your Superintendent of Schools, your School Committee and the Townspeople of Waterboro, went on a crusade last spring in an endeavor to provide better education for all Waterboro children, realizing that Maine schools ranked very poorly nationally due to our vast rural population and antiquated school systems.

The Area High School—this was our crying need, with overcrowded conditions staring us squarely in the face, with acute teacher shortages just around the corner, and with our small high schools here and elsewhere fitting the actual needs of but a few of those who attended them, it was decided to try for the Area School which had worked so successfully in Northern Maine communities. We could not afford to borrow, build, or maintain what we needed alone. Waterboro had to change and change then. Meetings were held, several discussions took place, trips were made, every means was exhausted and every effort was expended, especially in the view of the hope that the area school might land Waterboro at its site. One by one surrounding towns fell out of the plan for various reasons and the climax to all hopes for the Area School came when one of the proposed towns north of here made it clear to us that they would be unable to

participate in this plan for five to ten years. With but one course left to follow, the possibility of sending the high school students to Sanford, this was carefully studied and soon put to a vote of the people. Alfred soon followed the same course which has proved to be the wiser move for both towns. In spite of all of the clamor for the Area School, this move which Alfred and Waterboro have chosen to take has proved to be far more economical than the Area School would have been and it also offers far greater educational opportunities than an Area School such as we might have had could ever hope to offer.

Our contention and the State Department of Education statistics have now been justified. There have been just two dropouts during the school period. Waterboro students as a whole are doing very well in Sanford, they are contended and are fitting into an educational program that has something to offer for them all, in one of the best high school systems, without question, in the State of Maine. Waterboro students are indeed fortunate in this respect.

Acting upon the recommendation of your School Committee, the townspeople voted the North Waterboro School closed to enable the East and South Waterboro School buildings to be utilized for the proper operation of the new teacher-per-grade system which was recommended, and has proved very satisfactory for teachers and pupils alike and has brought forth greatly improved educational results. Although proposed, the teacher-per-grade system was not carried out to the letter, for upon finding but ten pupils in grade seven, it was decided in a move to economize, that it might be wise for this year at least, to combine grades six and seven. It should be pointed out here, however, that in 1953, or in the very near future, with ever-increasing school enrollments, we shall have to

add another teacher, making the teacher-per-grade system complete.

Acting upon a petition of three local residents, as permitted by law, a complete inspection of the school system was conducted by the State Department of Education and a report submitted. This inspection was most welcome by your School Committee and the report highly concurred with the changes that had been made and also offered some very helpful suggestions for possible use in the future.

Many improvements have been made in the school buildings themselves, with new paint, new desks, new lighting fixtures, four floors refinished, new lunch tables and benches, and a badly needed cement job at East Waterboro. Hot lunches are being served at both schools under good management and these programs are operating very successfully.

Early in November, in keeping with National Educational Week, open house was held with a night session of school. Approximately 100 parents and townspeople visited the schools and had a first hand opportunity to visit and discuss problems with the teachers. From the reports received from both parents and teachers this was a most successful and beneficial move for all concerned. We recommend that this practice be carried out each year.

It should be pointed out here that although school costs are up due in part to the changed-over system, that with ever-increasing enrollment, and ever-increasing school costs in the way of salaries, supplies, repairs and transportation that, regardless of what type of school system we maintained that our cost would continue upward to a certain degree. We should also bear in mind that in a few years hence when the results from the new State School Subsidy law takes

full effect that our financial return from the State in the form of a refund will be far greater than it is today, thus helping us to defray our school costs.

For those few who have been mildly critical of the cost of our per-pupil Sanford High cost, it should be pointed out that on a breakdown of figures, that our cost per pupil for high school education showed but a slight increase over last year. The increased cost, to a certain degree, can be attributed to the high school program but not charged to the per-pupil high school cost. The changeover brought about by that program really reflects in an increased per-pupil cost of the grammar school children for such things as use of the same building formerly used by the high school, also fuel, janitor service, insurance, increased local transportation, etc.; in other words a transfer of fixed expenditures from high school cost to grammar school cost.

The prime objective of the changeover was:

1. Better education opportunity for all Waterboro children.
2. Achieving the first—with economy to the town also in mind.

Here again, we wish to emphasize most strongly that although the town is legally bound to pay high school tuition, we are also morally bound to pay high school transportation to Sanford, so that all Waterboro children of high school age may have a equal educational opportunity. By refusing to pay the trivial cost of transportation would be the setting up of class legislation allowing only the children of parents of moderate means to continue their education. This must not be. The object of the change was to keep more Waterboro children in school and to better educate them. It is the civic duty of the people of our town

of Waterboro to see that both tuition and transportation are provided for them, so that any child who wishes a decent high school education will not be deprived of that opportunity irrespective of that child's parents' financial ability to pay.

We submit below a few of the basic points brought out by the State Department of Education inspection of Waterboro schools.

1. The community is to be commended for desiring better educational opportunities for its young people. The arrangement to consolidate with Sanford High School is educationally sound and financially practical.
2. Waterboro children are well behaved, orderly, polite, and generally well dressed.
3. School lunch program good.
4. Should have more audio-visual educational materials.
5. Should be more grouping. Teacher-per-grade should improve this. .
6. All teachers are earnest workers.
7. Evidence of good teaching.
8. More attention to slower students. Here again teacher-per-grade would improve this.
9. Strongly urge that sixth and seventh grades be provided with separate teachers as soon as convenient.
- 10 High school building very inadequate to house a modern high school program.
11. Building and safety precautions good.

12. Lighting, heating, ventilation, sanitation comply with most of modern school building standards.
13. Plans of the school officials to house the two lower grades in the East Waterboro building appear satisfactory for the present.
14. Need better supply of teaching materials other than text books.

It is a pleasure to render this somewhat lengthy report. It has been a pleasure working with you and for you. You, the people of Waterboro, should feel proud of the opportunity which you have provided for the educational advancement of your children. Education is like insurance, it is an investment for the future. There may have been a few more tax dollars spent, but your 1952 tax dollar bought a lot more education per child than has been provided for many years. We must not economize and stifle educational opportunity.

Respectfully submitted,

WILLIS LORD,

ALLERTON SMITH

ROGER CUNNINGHAM,

Superintending School Committee

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Members of the Superintending School Committee and
Citizens of Waterboro:

The annual report of schools is herewith submitted:

At a special town meeting held last spring it was voted to close the High School and to transport the pupils to Sanford High School. It was also voted to close the elementary school at North Waterboro. This made possible a very effective reorganization of grades and assignment of teachers. At the present time, with one exception, there is but one grade to a teacher. Mrs. Bertha W. Blodgett has Grade 1; Miss Edna E. Roberts, Grade 2. These two grades are housed at East Waterboro. Mrs. Natalie K. Hobbs has Grade 3; Miss Maude H. Carpenter, Grade 4; Mrs. Helen M. Carpenter, Grade 5; Mrs. Florentine T. Roberts, Grades 6 and 7; Mrs. Bernice K. Fields, Grade 8.

There are at the present time 160 elementary pupils graded as follows: Grade 1, 28; Grade 2, 19; Grade 3, 16; Grade 4, 27; Grade 5, 22; Grade 6, 18; Grade 7, 11; Grade 8, 19. A study of these figures shows that no teacher has more than 29 pupils. For a more detailed account of this program I refer you to the report submitted by the Superintending School Committee.

Major as well as minor repairs and improvements have been made on the school buildings during the year. At South Waterboro a fire escape was installed and major improvement of the heating system made. Heating facilities at East Waterboro have never been effective. The installation of an oil burner has remedied this condition.

The school lunch program has been carried on successfully both at South and East. Although we are operating on a very narrow margin we have not been obliged to increase the price of the lunch as has been the case in some towns of the state. It is the practice in some towns to appropriate money to help support this program and I am offering this information as a suggestion for consideration.

In closing may I express my sincere appreciation to the Citizens, the Superintending School Committee, and all teaching personnel for their cooperation during the year.

Respectfully submitted,

MAYNARD E. WRIGHT,

Superintendent of Schools

WARRANT

STATE OF MAINE

County of York, ss.

To Forest Laskey, a Constable of the Town of
Waterboro, in the County of York and
State of Maine

GREETING:

In the name of the State of Maine, you are hereby commanded to notify and warn the Inhabitants of said Waterboro, qualified to vote in town affairs, to assemble at the Town House in said town on Monday, March 9, 1953, at 10 o'clock in the forenoon, then and there to act on the following articles, to wit:

Article 1. To choose a Moderator to preside at said meeting.

Article 2. To choose all necessary town officers for said town for the year ensuing.

Article 3. To see what sum the town will grant and raise for Roads and Bridges for the year ensuing.

Finance Committee recommends \$3,000.00 and that this amount be taken from the 1953 Excise Taxes.

Article 4. To see what sum the town will grant and raise for Winter Roads for the year ensuing.

Finance Committee recommends \$300.00. This amount being in conjunction with Article 13.

Article 5. To see what sum of money the town will grant and raise for the Support of Charities for the year ensuing, the same being in lieu of former appropriations entitled: Support of Poor, and including monies to be paid for Old Age Assistance, Aid to Dependent Children, etc.

Finance Committee recommends \$1,500.00.

Article 6. To see what sum of money the town will grant and raise for Incidentals for the year ensuing.

Finance Committee recommends \$2,000.00

Article 7. To see if the town will vote to pay the Selectmen, Assessors and Overseers of the Poor as per: Chairman \$500.00, other two members \$400.00, this being for the annual town year, or in accordance with R. S. 1944, Chapter 80, Sec. 13, that: "In the event a town fails to fix the compensation of the above said officers at its annual meeting, then such officers shall be paid on a per diem basis, and in such event, such officers shall be paid the sum of \$5.00 per every day actually and necessarily employed in the service of the town."

Finance Committee recommends to pass over.

Article 8. To see if the town will grant and raise the sum of \$1,550.00 to pay town officers' salaries for the year ensuing.

Finance Committee recommends \$1,550.00.

Article 9. To see what sums of money the town will grant and raise for Free High School, Common Schools and Text Books and Supplies for the year ensuing, including Superintendent salary.

Finance Committee recommends \$27,000.00 and that \$4,000.00 be transferred from Surplus Funds to apply on 1953 School Accounts.

Article 10. To see what sum of money the town will grant and raise for Repairs, Improvements and Insurance for School Buildings for the year ensuing.

Finance Committee recommends \$2,500.00.

Article 11. To see what sum of money the town will grant and raise for Conveyance of High School students to Sanford High School for the year ensuing.

Finance Committee recommends \$4,300.00.

Article 12. To see if the town will grant and raise a sum of money for a Public Health Nurse for the year ensuing.

Finance Committee recommends \$150.00.

Article 13. To see what sum the town will grant and raise for State Tax for the year ensuing, said sum, if granted, to be applied to the cost of Winter Roads for the year 1953-1954.

Finance Committee recommends \$5,774.02, same amount as 1952, and to be expended in conjunction with Article 4 of this warrant.

Article 14. To see what sum the town will grant and raise for County Tax for the year ensuing.

Finance Committee recommends sum sufficient.

Article 15. To see if the town will vote to grant and raise the sum of Two Hundred Dollars for the maintenance of a Town Dump for the year ensuing.

Finance Committee recommends \$200.00, also that the Selectmen and Road Commissioner find a new or more suitable place off the main road.

Article 16. To see if the town will vote to grant and raise a sum of money, and how much, for the observance of Memorial Day.

Finance Committee recommends \$50.00.

Article 17. To see if the town will grant and raise a sum of money for the construction of a section of State Aid Road for the year ensuing and, if so, how much.

Finance Committee recommends \$1,066.00.

Article 18. To see what sum of money the town will grant and raise for Street Lights for the year ensuing.

Finance Committee recommends \$1,100.00.

Article 19. To see if the town will vote to authorize the Selectmen and Treasurer to borrow money on the credit of said town to pay current bills and in anticipation of taxes for the year ensuing.

Article 20. To see if the town will grant and raise a sum of money to aid the Waterboro Fire Department for the year ensuing and, if so, how much.

Finance Committee recommends \$3,000.00.

Article 21. To see if the town will grant and raise a sum of money for the benefit of the continuance of the Reforestation Program and, if so, how much.

Finance Committee makes no recommendation.

Article 22. To see if the town will vote to appropriate the sum of \$400.00 to cooperate with the Maine Forest Service and the Federal Government in control of white pine blister rust, in accordance with Revised Statutes, Chap. 32, Sec. 54.

Finance Committee recommends \$400.00.

Article 23. To see if the town will grant and raise a sum of money to be used in conjunction with Red Cross funds, for the maintenance of a dental clinic for school children and, if so, how much.

Finance Committee recommends \$100.00 and that same be added to the school appropriations.

Article 24. To see what sum the town will vote to raise to properly maintain the Main Pond Roads beginning at Harold Hall's Garage on the road leading from Waterboro Center to West Buxton, and beginning at Donald Johnson's on Route No. 5 in through Johnson Park, on the west side of the lake. On petition of C. Millard Neal and twenty-one others.

Finance Committee recommends \$1,000.00.

Article 25. To see if the town will grant and raise the sum of Fifty Dollars to be paid to the Maine Publicity Bureau and used for advertising the natural resources, etc., for the State of Maine.

Finance Committee recommends \$50.00.

Article 26. To see if the town will vote to authorize the Collector of Taxes to charge interest on unpaid taxes on October 1, 1953, interest to commence September 1st, 1953, at the rate of one-half per cent per month.

Article 27. To see if the town will raise a sum of money sufficient to properly repair road, culvert and ditches on said road. Roading beginning at No. 202 by Forrest M. Abbott, Sr. and Elmer Woodard to residence of L. Donald Ford. On petition of L. Donald Ford and nine others.

Finance Committee recommends \$500.00.

Article 28. To see if the town will grant and raise a sum of money sufficient to ditch, properly repair and retarring of road from North Waterboro Square to residence of Austin B. Carpenter. On petition of Austin B. Carpenter and twelve others.

Finance Committee recommends \$1,000.00 and that same be taken from the 1953 Excise Taxes.

Article 29. To see if the town will vote to grant unto the Selectmen authority to convey by quit claim deeds any real estate in said town to which it has gained title through matured tax liens or other property of said inhabitants.

Article 30. To transact any other business that may lawfully come before said meeting.

The Selectmen hereby give public notice that for the purpose of correcting the check list of voters, they will be in session at the Town House, in said Town, on the sixth day of March, 1953, from 2 o'clock until 4 o'clock P. M. and from 7 o'clock to 9 o'clock P. M.

The Selectmen give further notice that the Polls for the election of Town Officers under Article 2 of this Warrant will be opened fifteen minutes after the completion of business under all other Articles in the

Warrant, and remain open until 7 o'clock of that day.

WITNESS: Our hands at said Waterboro, Maine,
this eighteenth day of February, A. D. 1953.

Respectfully submitted,

HORACE P. McLAUGHLIN,

WILLIAM H. HANSON,

FRANK E. CLARK,

BUFFER

According to Webster a "Buffer" is a device for lessening the shock of concussion. Buffers are much used by vessels and prevent injury to their sides whilst lying in dock.

A buffer for the average family or person for lessening the shock of an unkind stroke of Fate, is a savings account.

L. EVERETT OUTHOUSE
Public Accountant and Auditor
Portland 3, Maine

February 9, 1954

Board of Selectmen
Town of Waterboro
Waterboro, Maine

Gentlemen:

In accordance with your request, we have audited the records of the Town of Waterboro for the Municipal Year ended January 30, 1953.

The examination was made in accordance with generally accepted auditing standards, and included all procedures which were considered necessary. Insofar as could be determined, within the scope of the examination, the financial affairs of the Town appear to have been administered in a proper manner.

The results of the audit are disclosed in the exhibits and schedules embodied in this report, and fairly present the financial position of the Town of Waterboro, and the result of its operations for the Municipal Year ended January 30, 1954.

Respectfully submitted,

L. EVERETT. OUTHOUSE

TOWN CLERK'S REPORT ON DOG LICENSES

During the year 1953 there were one hundred fifty-four (154) dog licenses issued from this office. In addition there were two (2) kennel licenses issued.

These licenses represent two hundred fifty-four dollars forty cents (\$254.40) which was received and paid to the Treasurer of the State of Maine on and before December 31, 1953.

The following licenses were issued:

Eighty-eight (88) males	\$ 79.20
Twenty-four (24) females	117.60
Forty-two (42) spayed females	37.80
Two (2) kennels	19.80
	\$ 254.40

Respectfully submitted,
HARRY A. SMITH,
Town Clerk

NOTICE TO DOG OWNERS

Your 1954 Dog License will be due and payable April 1, 1954. If unpaid by June 1 you will be notified by mail and an extra fee of 85¢ added, as permitted by law, then, if unpaid you may be summoned into court which will cost you several times the cost of the license.

Do not look for the Collector to call. This is a license, not a tax, and it is up to you to see that it is paid.

See Revised Statutes, Chapter 5, as amended.

REPORT OF THE PUBLIC HEALTH NURSE

I herein submit a brief report of service rendered the Town of Waterboro by the York County Tuberculosis and Health Association for the period beginning January 1, 1953 to January 1, 1954.

The purpose of our program is to promote good health among the citizens of Waterboro, to help the family attain and maintain physical and mental well being, and teach health measures aimed at reducing illness and preventing disease, and the value of periodic health examinations with a chest x-ray.

School Health Program

The nurse in the school is concerned with all phases of health in the children of school age. An accurate, detailed health history is kept up to date, with a school health card.

Health inspections completed in all grades:

Number of pupils examined	175
Number of pupils with no dental defects	56
Number of pupils with defective teeth (deciduous)	79
(permanent)	51
Number of pupils with defective throat	13
Number of pupils with defective vision	17
Number of pupils overweight	4
Number with impetigo	2
Number of pupils with the following corrections during the year: Teeth, 28; Throat, 2; Vision, 10.	

A dental clinic is scheduled for January 1954.

Twenty-two home calls were made for follow-up on defects found during inspections. Several special examinations made because of disturbing health conditions among the children, and followed by home calls.

With many thanks to parents, teachers, town officials and Superintendent of Schools for their cooperation throughout the year.

Respectfully submitted,
York County Tuberculosis and
Health Association

REPORT OF THE SUPERINTENDING SCHOOL COMMITTEE

With this report we are completing our second successful fiscal school year under the new and improved Waterboro school system. Already we have had many favorable reports of the educational progress being made and Waterboro is the envy of many a small neighboring town for the fine teacher per grade system that we are so fortunate in having, in addition to being able to send our secondary pupils to Sanford High School, one of Maine's finest high schools. (In a recent address at Sanford, President James S. Coles of Bowdoin College, stated that Sanford had the finest public school system he had found in the State of Maine.)

Attest: January Newsletter of the Maine Teachers' Association showed that Sanford teachers were paid the second highest salaries of all schools within the State of Maine.

We are pleased and proud to report that the first two Waterboro students to graduate from Sanford High School in 1953 under the new system, graduated with honors, and were ranked 4th and 6th scholastically out of a graduating class numbering well over 125 pupils. Miss Carlita Smith, now at Gordon College, and Miss Ann Rollins, now at Nasson College. These two girls are a credit to themselves, a credit to their parents, teachers, also their town; they have left a high standard for other Waterboro students to aim for.

At Sanford in co-curricular activities, Waterboro students are commencing to make their presence felt. Miss Gloria Fields led the way for others to follow

in being a star high-scoring forward on one of the best girls' basketball teams in Sanford High School history. Gloria also went on to become runner-up to the state foul shooting champion in a contest at Westbrook last winter. Other Waterboro students were soon to follow suit for a Waterboro boy played on the Sanford baseball team, four Waterboro girls are members of the Sanford band, one of the finest high school bands in New England. Five Waterboro boys were on the undefeated freshman football team, three Waterboro girls are on varsity and junior varsity basketball teams, two Waterboro boys are on the freshman basketball team. A Waterboro freshman girl is vice president of her class, and a number of other Waterboro students are members of the various intramural sports team and other assorted clubs and organizations pertaining to good schooling.

As for honors and scholastic standing, taking our Waterboro group as a whole, percentagewise, they are averaging better in this respect than is the average for the total enrollment at Sanford.

With increasing school enrollment, also with an eye to keeping costs down where possible to do so, your committee found it necessary to revise the transportation system at the start of the 1953-54 school year: All feeder lines, so-called, with the exception of one were abolished, another bus was added, making a total of three for elementary pupils. This was accomplished successfully after much detailed planning at no increase in cost over the previous year. It also resulted in a much more uniform transportation system.

In January of 1953 through the courtesy of the Brown Television Co. of Sanford, Waterboro students had the opportunity to witness the inauguration of President Dwight D. Eisenhower.

In the spring of 1953 a prize speaking contest was sponsored by the Modern Woodman Insurance Co. The six contestants all gave very commendable accounts of themselves before a capacity audience at the Grange Hall.

In the spring and fall of 1953 musical programs were presented by the students at both elementary schools.

In June of 1953, the largest 8th grade class in recent years held graduation exercises at the Blaisdell Memorial Church.

In November of 1953, in keeping with National Education Week, Waterboro schools held their second annual open-house with a night session of school. This session was equally as well attended as that of 1952 and with the same degree of interest and enthusiasm for all concerned.

As for music, we have made vast improvement. We were very fortunate in being able to obtain the services of a new local resident in the person of Mrs. Helen Cropper, who is very talented and who has a fine musical background. Mrs. Cropper has unselfishly given much extra time toward the development of a better musical program for Waterboro elementary school pupils.

In October of 1953 we were unfortunate in losing our respected first grade teacher, Mrs. Bertha Blodgett, who resigned due to ill health. Again we were also very fortunate in being able to find a very able replacement in the person of Mrs. Esther Abbott, who is doing a fine job.

Your school costs are going up, be it here, there or elsewhere; be it big town, little town or large city, it is nationwide; you read it, see it and hear it almost daily in your newspapers, on your T.V. sets and on

your radio. There is just no escaping it, for there are more children to educate now than ever before, and they must be educated properly for our whole future as a country depends upon them. Teacher salaries and tuition will be of necessity higher and the time has come for an additional Waterboro teacher to make our teacher per grade system complete and fully workable. In a rough survey which we have just completed with the start of the 1954-55 school year, there will be approximately 55 more Waterboro children attending school than there were four years ago, 20 of these students being in the high school age bracket. We are very thankful to be able to report to you that although school costs have increased and will continue to increase to a leveling-off stage, and that the school enrollment has increased, that your cost per child has increased but a very small amount. The whole situation boils down to more children to educate and when there are more children to educate it takes more dollars to educate them, just as it takes more dollars to operate a business as that business expands. This is especially true locally for we have faced not only the inflationary factor, but we have attempted to bring sub-standard education and sub-standard teacher salaries up to a standard level, by necessary, in a short period of time, due to the lack of planning and foresight and the false economy of the past.

As for repairs, a new paint job has been completed on the East Waterboro grade school, the sanitary system has been repaired at said school and added safety precautions have been taken by making adjustments in the boiler rooms and heating systems of both schools as prescribed by the State of Maine Fire Underwriters Association, along with various other minor repairs.

Hot lunches are being served at both schools under excellent management at an increase of five cents per

meal over last year. It might be added here that a small town meeting appropriation might well be in order to complete a fully successful operation of this program. Many other towns are doing this.

Unbeknown to most of you, late last fall we were anticipating the possibility that the South Waterboro school might have to be closed temporarily due to the questionable nature of the drinking water. Fortunately a second State water test put us through. For years the water flowage has been poor and now the water is on the doubtful side. We have been advised that an artesian well now is nearly a must for proper water flowage and for the proper water quality. A not too large initial cost will be involved but a permanent investment for the health and safety of your children will be obtained.

We wish to take this opportunity to thank all of those who have worked so hard to make the Waterboro educational system operate so smoothly and successfully; the parents and townspeople, the teachers, the town officials, the district nurse, the bus drivers, the janitors, and the superintendent.

In closing we want to take the liberty of dedicating this report to Superintendent Maynard E. Wright, who by his own admission is serving the first year of his final three year term as Superintendent of Schools after many years at your service. It is our opinion that this man has done more for the educational advancement of all Waterboro children that he will ever be given his rightful due credit. The people of our town owe Mr. Wright a vote of thanks for a job well done.

Respectfully submitted,

ALLERTON B. SMITH
DELMA K. SMITH
WILLIS A. LORD

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Members of the Superintending School Committee,
Citizens of Waterboro:

I am happy to submit for your attention the report of schools for the year 1953-1954.

There is a total enrollment of 173 in the elementary schools of Waterboro. This is a substantial increase over that of the previous year. Forty-eight secondary pupils are transported to Sanford High School; two attend Hollis High; and one is at Fryeburg Academy. Our teaching staff includes seven classroom teachers and a music supervisor. It will be noted that the present average pupil-teacher ratio is somewhat less than the 25 which is considered maximum by the State. Necessarily, however, the ratio varies in the seven different classrooms. The highest ratio is found in the first two grades — Grade 1 with 32; Grade 2 with 28. We are operating under the system adopted last year of 8 grades to 7 teachers. Obviously a division had to be made somewhere. Since the ratio was lower in grades 6, 7, and 8, the division was made there. The arrangement has been definitely more efficient than the previous one, but the ideal situation would be 8 grades, 8 teachers. Cooperation among the teachers has been very commendable.

A new law has recently been enacted by the legislature which effects the teacher salary schedule. It sets a minimum which goes into effect July 1 of this year. The law especially effects teachers with three, four, and five years of training. A beginning teacher with three years of professional training must, ac-

cording to this law, receive not less than \$2,000.00 per year. An increase of \$100.00 must be added thereafter for each year of experience. This is to continue for four years. Which means that a three year graduate with four years experience must receive not less than \$2,400.00 yearly salary. A four year graduate with a bachelor's degree begins with \$2,400.00 with a yearly increase of \$100.00 for eight years, which makes the minimum of \$3,200.00. The same holds true of the teacher holding a master's degree with this difference. The increases in this group continue for twelve years making the minimum of \$3,600.00. To meet situations where salaries are considerably below this standard the law provides that no town is required to increase the salary of any teacher more than \$300.00 in any one year.

We have used the money voted for repairs and miscellaneous improvements where the need has seemed greatest. Major improvements have been made at East Waterboro. The exterior of the building was painted during the summer; classroom floors were refinished; the kitchen painted; and a new hot water heater installed. Recently panic bars were installed on entrance doors in compliance with the State's safety regulations. Some new seats have been purchased to take the place of those where replacement seemed advisable.

I am grateful for your cooperation.

Respectfully submitted,

MAYNARD E. WRIGHT,

Superintendent of Schools

WARRANT

STATE OF MAINE

County of York, ss.

To Forest Laskey, a Constable of the Town of
Waterboro, in the County of York and
State of Maine

GREETING:

In the name of the State of Maine, you are hereby commanded to notify and warn the Inhabitants of said Waterboro, qualified to vote in town affairs, to assemble at the Town House in said town on Monday, March 8, 1954, at 10 o'clock in the forenoon, then and there to act on the following articles, to wit:

Article 1. To choose a Moderator to preside at said meeting.

Article 2. To see if the town will vote to accept the reports of the several town officers for the year ending February 1st, 1954.

Article 3. To choose all necessary Town Officers for said town for the year ensuing.

Article 4. To see if the town will vote to have a revaluation of the Town by reliable appraisal engineers and to see what sum of money will be appropriated and raised for same.

The Finance Committee recommends that this article ought to pass. That it be voted on by ballot. If it does pass that \$2,500.00 be raised this year and that the Town be bonded to pay the balance and the bond be paid in three equal yearly payments.

Article 5. To see if the Town will vote to make it compulsory for any person or persons erecting a building at a cost exceeding \$100.00, or moving a building into town, to first obtain a permit from the Selectmen.

The Finance Committee recommends: Ought to pass.

Article 6. To see what sum of money the Town will grant and raise for Roads and Bridges for the year ensuing.

Finance Committee recommends \$4,000.00.

Article 7. To see what sum of money the town will grant and raise for winter roads for the year ensuing, or to see if the town will vote to transfer the balance of \$4,023.39 from the 1953-54 Winter Roads account to the Winter Roads Account for 1954-55.

Finance Committee recommends transfer of 1953-54 balance.

Article 8. To see what sum of money the Town will grant and raise for the Support of Charities for the year ensuing, the same being lieu of former appropriations entitled: Support of Poor, and including monies to be paid for Old Age Assistance, Aid to Dependent Children, etc.

Finance Committee recommends transfer of balance of 1953-54 Charities Account and that \$300.00 be raised.

Article 9. To see what sum of money the Town will grant and raise for incidentals for the year ensuing.

Finance Committee recommends \$2,000.00.

Article 10. To see if the Town will grant and raise the sum of \$1,800.00 to pay Town Officers' Salaries for the year ensuing.

Finance Committee recommends \$1,800.00.

Article 11. To see what sum of money the Town will grant and raise for Free High School, Common Schools and Text Books and Supplies for the year ensuing, including Superintendent's Salary.

Finance Committee recommend \$33,000.00.

Article 12. To see what sum of money the Town will grant and raise for Repairs, Improvement and Insurance of School Buildings for the year ensuing.

Finance Committee Recommends \$5,000.00.

Article 13. To see what sum of money the Town will grant and raise for Conveyance of High School Students to Sanford High School for the year ensuing.

Finance Committee recommends \$4,700.00.

Article 14. To see what sum of money the Town will grant and raise for a Public Health Nurse for the year ensuing.

Finance Committee recommends \$150.00.

Article 15. To see what sum of money the Town will grant and raise for help in Maintenance of School Lunch Program.

Finance Committee recommends \$600.00.

Article 16. To see if the Town will grant and raise a sum of money to be used in conjunction with Red Cross Funds for the maintenance of a Dental Clinic for school children, and if so, how much.

Finance Committee recommends \$100.00.

Article 17. To see what sum the Town will grant and raise for State Tax for the year ensuing.

Finance Committee recommends to pass over the article.

Article 18. To see what sum of money the Town will grant and raise for County Tax for the year ensuing.

Finance Committee recommends a sum sufficient.

Article 19. To see what sum of money the Town will grant and raise for maintenance of town dump for the year ensuing.

Finance Committee recommends \$500.00.

Article 20. To see if the Town will grant and raise a sum of money and how much for the Observance of Memorial Day 1954.

Finance Committee recommends \$100.00.

Article 21. To see if the Town will grant and raise a sum of money for the construction of a section of State Aid Road for the year ensuing, and if so, how much.

Finance Committee recommends \$1,200.00.

Article 22. To see if the Town will vote to add ten street lights on road leading from Waterboro Village to Waterboro Old Corner. By petition of Clinton R. Thompson and 49 others. Also on road 202-4 lower end of Waterboro Village in the direction of Alfred, additional street lights, one to be placed near Carpenter and Smith, one opposite Charles M. Thornton, and one near residence of Ralph A. Owen. By petition of Charles M. Thornton and fifteen others. Also two lights on upper Main Street, one near residence of Carl Johnson and one near school.

Article 23. To see what sum of money the Town will grant and raise for street lights for the year ensuing.

Finance Committee recommends \$1,500.00.

Article 24. To see if the Town will vote to authorize the Selectmen and Treasurer to borrow money on the credit of said town to pay current bills in anticipation of taxes for the year ensuing.

Article 25. To see if the Town will grant and raise the sum of money to aid the Waterboro Fire Department for the year ensuing, and if so, how much.

Finance Committee recommends \$3,000.00.

Article 26. To see if the town will grant and raise a sum of money for the benefit of the continuance of the Reforestation Program, and if so, how much.

Article 27. To see what sum of money the Town will grant and raise for Control Measures of Gypsy Moths for the year ensuing.

Finance Committee recommends \$400.00.

Article 28. To see what sum of money the Town will vote to grant and raise to properly maintain the main pond roads in Bradbury Parks, so-called on east side of Ossipee Lake, and in Johnson's Park, so-called, on west side of Ossipee Lake.

Finance Committee recommends \$1,000.00 be taken from 1954 excise tax monies for this.

Article 30. To see if the Town will vote to pay the Collector of Taxes on a percentage basis at the rate of $1\frac{1}{2}\%$ of all taxes collected on 1954 commitments and car Excise Taxes of the same year.

Finance Committee recommends article ought to pass and a sum sufficient be raised.

Article 31. To see if the Town will vote to authorize the Collector of Taxes to charge interest on unpaid taxes on October 1st, 1954. Interest to commence on September 1st, 1954, at the rate of $\frac{1}{2}\%$ per month.

Article 32. To see if the Town will vote to grant unto the Selectmen authority to convey by quit claim deeds on any Real Estate in said Town to which it has gained title through tax liens or other property of said inhabitants.

Article 33. To see what sum of money the town will grant and raise for resurfacing and tar on Carpenter's Road, so-called, starting at end of State Aid to Austin B. Carpenter's.

Finance Committee recommends \$1,500.00 be taken from 1954 excise tax monies for this.

Article 34. To see what sum of money the Town will grant and raise for gravel to be used in conjunction with Town Road Improvement Funds.

Finance Committee recommends \$300.00 be taken from 1954 excise tax monies for this.

Article 35. To see if the Town will grant and raise a sum of money to retar Pearl Street, May Street, and from 202 to Thomas Whitten's in Waterboro Village, and from Route 5 to Louis C. Colby's, Ossipee Hill Road, Waterboro Center.

Finance Committee recommends \$1,200.00 be taken from 1954 excise tax monies for this.

Article 36. To see if the Town will vote to resurface and tar the following roads: From Route 5 to L. Donald Ford's from Route 202 to Frank H. Bean's and Lawrence P. Wood's, and from Louis C. Colby's to Gilbert B. Thompson's, the same to be taken from the Town Road Improvement Funds.

Finance Committee recommends ought to pass.

Article 37. To see if the Town will vote to gravel, improve for travel and install a culvert on that portion of the road in the Happy Valley Section, so-called, leading northwesterly from the residence now of Richard Carpenter to the residence now of Blanche Carpenter Brewster, being a distance of approximately two-thirds ($\frac{2}{3}$) of a mile, and raise, grant and appropriate a sufficient sum of money therefore.

Finance Committee recommends a sufficient amount be taken from Roads and Bridges Account for this.

Article 38. To see if the Town will grant and raise a sum of money for the repair of the town highway leading from Middle Road, near Red School House, so-called, to Ross Corner, and if so, how much.

On petition of Leo Thyng and thirty-five others.

Article 39. To transact any other business that may lawfully come before said meeting.

Finance Committee recommends that \$200.00 be taken from 1954 excise tax monies for Civil Defense and that \$50.00 be taken from 1954 excise tax monies for the Maine Publicity Bureau.

The Selectmen hereby give public notice that for the purpose of correcting the check list of voters, they will be in session at the Town House, in said Town, on the 3rd day of March, 1954, from 2 o'clock until 4 o'clock P. M., and from 7 o'clock to 9 o'clock P. M.

The Selectmen give further notice that the polls for the election of Town Officers under Article 3 of this Warrant will be opened fifteen minutes after the completion of business under all other Articles in the Warrant, and remain open until 7 o'clock of that day.

WITNESS: Our hands at said WATERBORO, MAINE, this eighteenth day of February, A. D. 1954.

Respectfully submitted,

FRANK E. CLARK,

WILLIAM H. HANSON,

EARLE T. BLODGETT,

Selectmen of Waterboro, Me.

This 167th annual report of the town officers shows that real effort has been made to carry out the wishes of the townspeople, as expressed at town meeting, efficiently and for the best interests of the people.

We regret having lost one of our number. Frank E. Clark resigned, effective last October 1.

The town's treasury balance is about \$2,000.00 more than a year ago in spite of the fact that over \$5,300.00 of last year's balance was transferred to this years' accounts.

Hurricanes Carol and Edna raised havoc in town and many of our roads were seriously damaged. This would have been a serious blow to the town's finances had not the State and Federal governments come to our rescue. We took full advantage of their aid programs.

At a special town meeting held shortly after the hurricanes, it was voted to authorize the selectmen to spend up to \$8,000.00 to repair the road damage. \$7,843.00 was spent and all but \$350.00 has been paid back to the town through the State and Federal emergency program. Resurfacing and tarring will be done next summer and the entire expenditure has been approved for repayment to the town. Through this program nearly \$2,000.00 was spent for culverts to replace stone culverts and to supplement culverts which have proven inadequate since the fire. This is as much as the town spent for culverts in the past three years.

We feel that the townspeople were especially fortunate in having a road commissioner who had equipment available so that repair work could be done immediately after the hurricanes and at considerably less cost than would have been necessary to get a dozer and loader from out of town. The damage was so wide-

spread that towns which did not have equipment could not get any for some time.

We feel that the town should be revalued by reliable appraisal engineers and actual value figures be used as tax values with a low tax rate. The present plan of using fractional values for tax purposes with a high tax rate is a hold over from the days when the State used the town's valuation figures as a basis for computing the state tax. This plan has not been used for many years, in fact the state figure on the Waterboro valuation is nearly twice the figure we are now using. With the present legal exemptions and the increasing number who will be eligible to take advantage of them it will be a considerable benefit to the taxpayers to have this job done. We feel that this should be done by outside people who have had ample experience in this work and who would not be influenced by local personalities.

We will continue to work for the best interests of the town's people during the coming year.

Respectfully submitted,

EARLE T. BLODGETT,

ANDREW C. WOODSOME,

Selectmen of Waterboro

Report of Treasurer

L. EVERETT OUTHOUSE**PUBLIC ACCOUNTANT AND AUDITOR****Portland 3, Maine****February 15, 1955**

Board of Selectmen
Town of Waterboro
Waterboro, Maine

Gentlemen:

In accordance with your request, we have audited the records of the Town of Waterboro for the municipal year ended January 31, 1955.

The examination was made in accordance with generally accepted auditing standards, and included all procedures which were considered necessary. Insofar as could be determined, within the scope of the examination, the financial affairs of the town appear to have been administered in a proper manner.

The results of the audit are disclosed in the exhibits and schedules embodied in this report, and fairly present the financial position of the Town of Waterboro, and the result of its operations for the municipal year ended January 31, 1955.

Respectfully submitted,

L. EVERETT OUTHOUSE.

Town Clerk, 1954

TOWN CLERK'S REPORT ON DOG LICENSES

During the year 1954 there were one hundred fifty-four (154) Dog Licenses issued from this office. In addition there was one (1) Kennel License issued.

These licenses represent two hundred thirty-six dollars fifty cents (\$236.50) which was received and paid to the Treasurer of the State of Maine on and before December 31, 1954.

The following licenses were issued:

Ninety-three (93) Males	\$ 83.70
Twenty-two (22) Females	107.80
Thirty-nine (39) Spayed Females	35.10
One (1) Kennel	9.90
	\$ 236.50

Respectfully submitted,

HARRY A. SMITH,

Town Clerk

NOTICE TO DOG OWNERS

Your 1955 Dog License will be due and payable April 1, 1955. If unpaid by June 1st you will be notified by mail and an extra fee of 85¢ added, as permitted by law, then, if unpaid you may be summoned into court which will cost you several times the cost of the license.

Do not look for the Collector to call. This is a LICENSE, NOT A TAX, and it is up to you to see that it is paid.

See Revised Statutes, Chapter 5, as amended.

ROAD COMMISSIONER'S REPORT

This report is made so that you, as taxpayers of the Town of Waterboro, may better understand how your road money is being expended.

Contrary to reports that have been circulating around town, the money is not being thrown away. The town is not going bankrupt, and no money is being expended without first consulting the Selectmen.

I have set up a road program with the approval of the Selectmen, which, in ten years, will gravel and improve every road in town. In the last two years, we have built 2,600 feet of state aid road, graveled and improved five miles of town roads. This year a concrete bridge was built on Hamilton road to replace the wooden one which broke down.

All of the payrolls have to be approved by the Selectmen; the state aid road improvement payrolls have to be approved by both Selectmen and State Highway Department. The wage scales for men and equipment are set by the state; so there is no way, unless no work was done at all, that the funds could be misappropriated. If this were true, the Selectmen and State would not approve the payrolls.

I believe that the money should be kept in town as far as possible. If operators and equipment from out of town are hired, money paid goes out of town. Where I have my own equipment, and hire operators from town, the money is kept here in Waterboro.

As you all know, we had extensive damage to our

roads during hurricanes Carol and Edna. Here is a breakdown of the hurricane damage:

Total estimate given to and approved by State and Federal Governments of damage done to roads by hurricane Edna:

Ossipee Mountain—

One 36" culvert, 100 cu. rds. gravel\$ 537.14

Ossippe Hill Road—

Two 30" culverts and one 15" culvert, 1,500
cu. rds gravel 2,596.56

Carpenter Road:

One 36" culvert and one 15" culvert, 450
cu. rds. gravel 1,783.90

Happy Valley—

One 15" culvert, 250 cu. rds gravel 500.00

Edgecomb's Bridge Road—

75 cu. rds. gravel 150.00

Oak Street—

150 cu. rds. gravel 250.00

Webber-Deering Roads—

175 cu. rds. gravel 300.00

New Dam—

One 12" culvert, 100 cu. rds. gravel 150.00

Middle Road—

One 30" culvert and one 18" culvert, 550
cu. rds. gravel 1,100.00

West Buxton—

Two 48" culverts, 100 cu. rds. gravel 806.40

Roberts Ridge—

125 cu. rds. gravel 150.00

Ford Road—	
One 18" culvert, 50 cu. rds. gravel	75.00
McConkey Road—	
40 cu. rds. gravel	75.00
Hamilton Road	50.00
Sand Crossing Bridge	750.00
3,665 cu. rds. gravel	\$9,337.36
Total Expenditure by Town	\$7,579.00
Balance to tar Ossipee Hill	1,008.36
Unexpended for Sand Crossing Bridge	750.00
	\$9,337.36

We, as citizens of the Town of Waterboro, should be thankful that we have town officials in office who took full advantage of the money available from the State and Federal Governments to repair this hurricane damage. This advantage was not taken in many towns.

Respectfully submitted,

MILTON DANNEY

REPORT OF THE PUBLIC HEALTH NURSE

I herein submit a brief report of service rendered the Town of Waterboro by the York County Tuberculosis and Health Association for the period beginning January 1, 1954 to January 1, 1955.

The contribution of the Public Health Nurse in the school involves an understanding of the school's functions in promoting and safeguarding the health of the students and school personnel. She cooperates with the teachers, parents and physicians in scheduling examinations and treatments for the children with special needs, both medical and surgical and general health examinations. To help prevent and control disease. To appraise the health status of the students.

The School Health Program consists of inspection of every child in the grades. This covers the following and many others which I do not have space to list:

EYES—Vision defects. Poor eyesight will make brilliant children backward in school work. It affects their work, their health, and their success.

EARS—Hearing defects; equally as bad as vision defects.

TEETH—Temporary, permanent, condition of each tooth, condition of the gums. Good teeth are essential to Good Health. The child's teeth require unremitting effort on the part of the parents in order to maintain a healthy mouth. And herewith suggest an annual visit to the DENTIST, and a routine tooth brushing after each meal.

NASAL OBSTRUCTION

THROAT

POSTURE

GROWTH

FEET

ORTHOPEDIC DEFECTS

DIETARY REQUIREMENTS

MALNUTRITION, symptoms

NERVOUS SYMPTOMS

SKIN—Ringworm, Scabies, Impetigo, Eczema, Pediculosis, symptoms of communicable diseases.

GENERAL CONDITION—Recording and reporting all defects. Working with parents and physicians to obtain correction of all health defects.

WEIGHT AND HEIGHT taken, evaluated and recorded on health card.

IMMUNIZATIONS—Organizing clinics for protection against Whooping Cough, Diphtheria and Tetanus. Smallpox vaccinations.

TUBERCULOSIS PROGRAM—Tuberculin Patch testing. Case Finding. Chest x-ray clinics. Follow-up on all cases; visiting homes of active cases, suspects and contacts of all people of all ages. Assisting patients to Sanatoria. Reports and Records.

Health Inspections completed in the schools:

Number of pupils examined	191
Number of pupils with no dental defects	60
Number of pupils with defective teeth (deciduous)	82
Number of pupils with defective teeth (permanent)	49
Number of pupils with defective throat	11

Number of pupils with defective vision	10
Number with evidencé of pediculi	3

Number of pupils with the following corrections during the year:

Teeth	38
Throat	2
Vision	7

The Town and local Red Cross sponsored a Dental Clinic held in Dr. George Faulkner's office in Sanford, January 6, 13, 20, 27, 1954.

Eighteen school children attended the clinic.

94 Fillings in permanent teeth.

17 Extractions.

10 Received Dental Certificates.

One hundred forty students were given Tuberculin Patch tests. All negative.

An Immunization Clinic was held in both schools, April 8, May 6 and June 3.

The following were given:

Smallpox vaccinations	40
Whooping Cough, Diphtheria and Tetanus	84

Twenty-six home calls were made this year because of individual health problems.

With many thanks to the teachers, town officers, Superintendent of Schools and others who are interested in the welfare of children and promoting better health to all citizens.

Respectfully submitted,

NELLIE P. SAWYER, R. N.

Public Health Nurse.

REPORT OF THE SUPERINTENDING SCHOOL COMMITTEE

To the Parents, Taxpayers and Townspeople of
Waterboro, Maine:

Once again we are pleased to report to you that through your efforts and through the combined efforts of the teachers and others connected with your schools, that another well-rounded educational fiscal year has reached a most successful conclusion.

Before we go into this report in greater detail there is one point that we wish to bring out very clearly here and now to dispell any rumors to the contrary that are sometimes heard annually at this season of the year. Regarding tuition for Waterboro students to Sanford High School there will be absolutely no increase in tuition for the 1955 fiscal over the rate that was in effect for the last half of the 1954 fiscal school year, and it is anticipated that there will be absolutely no increase in this tuition for Waterboro students to Sanford High School for a number of years to follow, we have the promise of Sanford Superintendent of Schools, Neil V. Sullivan on this, and we were granted this permission to quote him as to saying. The arrangement which Waterboro and Sanford have is economically sound and mutually good for the lower cost per student basis for each town, and for more education for each tax dollar spent for the taxpayers of each town. In other words it is co-beneficial each town. (Attest:—Refer back to Article 1, Page 61. 1952 53 Town Report on the State Department of Education Inspection of Waterboro schools. "The community is to be commended for desiring better educa-

tional opportunities for its young people. The arrangement to consolidate with Sanford High School is educationally sound and financially practical."

Your committee this past year has worked very closely with Sanford Superintendent of Schools Neil V. Sullivan, Principal Lawrence Page, Guidance Director Charles Towle, the athletic coaches and with many of the teachers at Sanford High School. These officials are there to help you and your children in any problem which you or they may have pertaining to your children's education. We urge you all as parents to feel free to contact these school officials, you will always find them highly cooperative and understanding in any problem pertaining to your children's education, whether that problem be minor or major, it will always be given fair and proper consideration.

For the minority group who still persist in measuring high school education only in dollars and cents belief, after reading the questions, the suggestions, of what doubting individuals may do if still in disbelief, after reaching the questions, the suggestion, and our summarization of the facts as we find them.

1. Ever figure the cost to build a new local high school and the debt and repayment schedule to be incurred by the town if the necessary amount of money could be borrowed and not nearly enough money can be borrowed under any present existing plan?

2. Ever figure the cost of equipping a two or three course local high school today?

3. Ever figure the cost of staffing at least a three teacher (minimum) local high school today?

4. Ever figure the double cost of maintaining a two or three course local high school and still being legally bound to pay tuition for the large majority of Waterboro students who would still remain at Sanford High School today, or of being unable to hold a large number of students here whether the town were legally liable for tuition or not?

5. Ever investigate the standards to be met and the legal and financial obstacles to be overcome before re-establishment of a local high school would ever be acceptable to the Maine State Department of Education today?

Suggestion:—For those few doubters—suggest that they contact the State Department of Education at Augusta to obtain the hard cold facts of the matter.

Summarization:—Whether all of you like or dislike your Superintendent of Schools, the members of your School Committee or members of that group of parents and townspeople who stand solidly behind this program for better education of Waterboro children, the personal feeling is immaterial to the issue, but had you all seen as we have readily seen that although education cannot be measured intelligently in dollars and cents alone, that the Sanford-Waterboro arrangement cannot be matched by any plan submitted whatsoever, it is by far the most educationally sound and financially practical for the Town of Waterboro whether it is appealing or not to all concerned is side issue, an insignificant issue. Good education by and large costs money and though it may be a gradual process it is going to cost more money as time goes by due mainly to three factors.

1. Rapidly accelerated birth-rate followed by increased school enrollments.

2. Because sub-standard rural Maine teacher pay has rapidly been brought up to standard even though it is to be but at the minimum of rural Maine teacher pay standards. This has been done to hold teachers, to pay experienced teachers their rightful due amount an amount that present normal school graduates are now entitled to by law regardless of their qualifications, and to lessen the financial shock that the town would receive should for some unforeseen reason a large number of teacher positions have to be filled by new teachers in any given year.

Because in the early post-war years Maine rural parents suddenly became awakened to the fact that in order for their children to have an equal chance with the children from other states in the nation that something drastic had to be done to correct the obstacles that placed Maine education at a very poor low national ranking, and which up until recent years had not allowed many children, especially many rural Maine children, a proper chance to receive a good education to enable them to take their rightful place in society. Thanks to the intelligence and cooperativeness of Waterboro people, they realized like people in many other Maine towns also realized that a serious problem was at hand and immediate and but mildly—opposed action was taken to correct the situation. Unfortunately some Maine towns remained dormant and some towns have been slower to react to their educational needs than have others, thus the still low national education ranking of the State of Maine in the total state by state education ranking but we in Waterboro with our teacher per grade system and with our high school arrangement with Sanford, stand high individually as a town over and above the low national ranking given to the state and it is reasonably safe to assume that our total Waterboro educational system

now ranks on an educational level with that as maintained by at least 50 per cent of the states within our nation (to attest to this statement one of the largest senior classes of Waterboro students in a great number of years will graduate from Sanford High School in June 1955 and it is reliably reported that approximately 75 per cent of these graduates will go on to college or to other educational institutions of advance study. National education statistics indicate that had this class remained in a two teacher, two course high school system that the drop-out or school mortality ratio would have been at least 50 per cent and approximately only 15 per cent of those graduating would have gone to college.)

Waterboro can be proud of their graduating students at Sanford High in June 1954. Out of a total graduating class numbering 135, two Waterboro young women distinguished themselves. Third high honors and sixth high honors went respectively to Miss Joyce Roberts and to Miss Gloria Fields, a fine tribute to both girls, to their parents and to their teachers in the Waterboro Grammar Schools. The other seven Waterboro members of this class, namely: Miss Alison Clapper, Miss Margaret Langill, Maxton Owen, Paul Prescott, Miss Virginia Swett, Everett Whitten, and William Earl, all did very excellently in their school work, most participating in many activities and also graduating on honor roll though not approaching the distinctive high honor position of Miss Joyce Roberts and Miss Gloria Fields. Of the nine graduates five have gone on to additional education, Miss Roberts, Miss Langill, and Paul Prescott are now attending Gorham State Teachers College; Miss Swett is attending Mansfield School of Beauty Culture in Boston, and William Earl is attending a business college in Boston, a fine record for a fine class, and a better than 50 per cent

average of the class seeking additional education. Like your predecessors, the 1953 class set a high mark for you to aim for, you the 1954 class in turn have set a high mark for the 1955 class to aim for, and from all reports the current graduating class is setting another high mark for the graduating class of 1956 to aim for high mark for the graduating class of 1956 to aim for.

An ever-increasing number of Waterboro students are earning their places on the Sanford High School Honor Roll, and with each enrolling class more and more Waterboro students are becoming activated in the band, glee club, athletic teams and in all other school and extra-school activities connected with well-rounded education.

Miss Gloria Fields and Miss Deborah Bean have been outstanding performers on outstanding Sanford High School girls' basketball teams, Miss Bean carrying on very capably this year where graduate Miss Fields left off last year. David Smith, Philip Fields, and George Abbott and several other Waterboro boys have given more than a good account of themselves on the boys' athletic teams, as also has Andrew Woodsome, Jr, on the freshman basketball team.

With no reflection intended to other members of the 1955 graduating class, Miss Constance Swett, Miss Frances Thompson, Miss Marilyn Boutwell, Gordon Carpenter and Philip Fields should be specially commended for the fine academic record which they have accomplished in their school work.

Too much of this report may have already been centralized on the high school situation but where the Waterboro grammar and grade schools are localized and where you Waterboro people are closer to this

local situation than you are to the high school education we felt that it might possibly be best to summarize it in greater detail, especially where much of your Waterboro grammar and grade school news is published weekly in the Waterboro news column in the Sanford Tribune. Thus we felt you had been posted more thoroughly on the school program at the local level.

Your local grammar and grade schools are now very well organized on the teacher per grade system with an excellent teaching staff in charge: Grade 1, Mrs. Esther Abbott; Grade 2, Miss Edna Roberts; Grade III, Mrs. Natalie Hobbs; Grade IV, Miss Maude Carpenter; Grade 5, Mrs. Helen Carpenter; Grade 6, Mrs. Jean Walker; Grade 7, Mrs. Florentine Roberts; Grade 8, Mrs. Bernice Fields (principal); music teacher, Mrs. Helen Snow Cropper.

Mrs. Nellie Sawyer, school nurse, has done a very commendable job in the performance of her work here in Waterboro.

Open house or parents' night was held in November (this year without pupils in attendance) in keeping with National Education Week. As usual this was well attended, however it was rather noticeable that parents of children in the upper classes did not attend as well as did the parents of those in the lower classes. This is meant as no criticism whatsoever but it is suggested that all parents work more closely with the teachers of their children, the results by so doing should turn out for the better for teachers, parents and children alike.

A fine hot lunch program is being very capably administered by Mrs. Clare Abbott. An open house par-

ents' night was also held in conjunction with the Federal Hot School Lunch Program, unfortunately we have to report that but very few parents turned out to see this important good health program in operation and it was rather disappointing for those women in charge in view of the excellent job and service which they had performed. It is also suggested here that all parents show a greater interest and support for this worthy program in the future.

Waterboro grammar school basketball teams are playing in the Sanford Elementary School Basketball League, with not many victories to show but with a record of good sportsmanship.

The annual prize speaking contest was held at the grange hall—was well attended—and all contestants gave very excellently presented orations.

Robert Carll won both the local and district spelling contests last spring and went on to the York County final contest at Berwick before being finally out-spelled after a long contest for final elimination.

Last spring a very excellently arranged operetta was conducted at the grange hall by Mrs. Cropper and her pupils. This operetta was presented to an overflowing crowd of enthusiastic parents and a great deal of credit should go to Mrs. Cropper and to her pupils for the hard work that went into this effort and for exceptionally fine performance given. This was by far a better operetta given by grade school pupils than one would normally see presented by students of high school age. With the installation of Mrs. Cropper as music teacher two years ago it is becoming increasingly apparent from the marked musical improvement of all children in the short period of time, that though the

talent was always here in Waterboro, lack of time devoted and lack of proper instruction failed to bring this most important function into its rightful place in our schools until the advent of Mrs. Cropper; little do we all in Waterboro fully appreciate the outstanding job that this woman is doing for our children—we are indeed exceptionally fortunate in having her services.

The traditional eighth grade graduation was held in June at the Blaisdell Memorial Church with all parts presented well by the class members. Here again as always in recent years the floral decorations were wonderful and the musical arrangements were excellently conducted in a very fitting tribute to another fine graduating class.

To mention but little on the repairs account we will brief it that this past year most of you are now aware that your school water flowage is now plentiful and that the water quality is excellent by the installation of the new driven well. In this coming year minor corrections are going to be necessary at the East Waterboro School to greatly increase the heat efficiency of that building, aside from that repairs should be of a routine nature.

There are some things and some individuals that we possibly have unintentionally overlooked in this report, if so please excuse us for our oversight, for it is not our intention to slight anyone and it was impossible to completely summarize everything occurring during this past school year.

In closing may we take the liberty of saying that if you, as townspeople and parents are as strongly desirous of better education for Waterboro children as

you were at the time of the change-over, and in all fairness to yourselves, to your children, and to your school committee, you should form a strong PTA or parents club to back up the efforts of your school committee. A meak or poorly organized and poorly operated PTA or parents club is worse than none at all, but a strong PTA or parents club, one that will draw out leadership and be firm and positive in their actions, and work with the teachers with the superintendent, and with the school committee—will go a long way in keeping the educational progress of Waterboro children going forward.

The support which Waterboro people have shown for their schools, especially at town meeting time is excellent and appreciated, but this committee or no future school committee can do fully the job expected indefinitely year in and year out without properly organized year around support of their efforts.

The school board wishes to take this opportunity to thank Joe Roberts for his labors in obtaining money through advertising in the last two town reports to purchase playground equipment for the schools.

His interest in behalf of the recreational program of the young people is greatly appreciated and the school board hopes that more young people will continue their interest in our schools.

These schools are yours for your children's education; they are not ours you merely trust their administration to us. Many of you must come forward rather than take the, "Let George do it for me attitude," for by such an attitude you are only letting your own children down. We give you this challenge, the answer is squarely up to you. We and any future committee

should stand ready and willing to attempt to do our duty to the best of our ability—are you ready to do yours?

Respectfully submitted,

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Members of the Superintending School Committee,
Citizens of Waterboro,

I am happy to submit for your attention the report of schools for the year 1954-1955:

Present enrollment of elementary pupils is 189, an increase of 16 over last year. Five of this number come from Lyman. Pupils are graded as follows: Grade 1, 29; Grade 2, 26; Grade 3, 23; Grade 4, 15; Grade 5, 18; Grade 6, 24; Grade 7, 25; Grade 8, 19.

Forty-three secondary pupils attend high school and academies in neighboring towns. There are currently 41 in Sanford High School; 1 in Limerick High School; 1 in Fryeburg Academy.

Last fall an extra teacher was added to the teaching staff, making eight in all. This made possible the efficient arrangement of a teacher to each of the eight elementary grades.

Owing to the serious teacher shortage the new position opened with a substitute teacher, Miss Bernice Stimpson of Limerick who served until the Thanksgiving recess. Mrs. Jean M. Walker of Alfred was elected to complete the school year.

We continue to hear good reports concerning the Waterboro pupils who attend Sanford High School. We are told by Sanford school officials that the record of these pupils prove them to be a credit to Sanford High.

The Town of Waterboro is to be commended for its school board whose members have worked so tirelessly and conscientiously for the betterment of its school system. It is to be commended also for its citizens who have generously cooperated. The advantages now being offered the young people of Waterboro have meant additional expense, but it is not true that few really worthwhile things can be had without paying the price.

The lunch program carries on efficiently and is well supported. Last summer, with money appropriated by the town, we purchased a new Philco deep freeze. This is a very definite convenience. Formerly it was necessary to keep certain foods at the Sanford Food Locker and to get them from there as needed.

Under the direction of Mrs. Helen S. Cropper as supervisor, music continues to be carried on with very satisfactory results.

Necessary repairs and improvements have been made where necessary, including work on the roof of the South Waterboro building and repairs to the chimney. One major project completed which took care of a serious need was the drilling of a well at South Waterboro. This affords not only an adequate supply of water, but water that meets the necessary test for drinking purposes.

At East Waterboro panic locks were installed on the doors to meet requirements of the State Insurance Commission. This winter we have had difficulty in heating the East Waterboro building and we have been advised by experts that the building should be insulated and certain changes made in the heating system. This matter will be taken care of in the near future.

In closing I wish to express my gratitude to you all for your cooperation during the year.

Respectfully submitted,

MAYNARD E. WRIGHT,

Superintendent of Schools.

WARRANT

STATE OF MAINE

County of York, ss.

To

FORREST LASKEY

A Constable of the Town of Waterboro,
in the County of York and State of Maine

GREETING:

In the name of the State of Maine, you are hereby commanded to notify and warn the inhabitants of said Waterboro, qualified to vote in town affairs, to assemble at the Town House in said town on Monday, March 14, 1955, at ten o'clock in the forenoon, then and there to act on the following articles, to wit:

Article 1. To choose a Moderator to preside at said meeting.

Article 2. To see if the town will vote to accept the reports of the several town officers, for the year ending February 1, 1955.

Article 3. To choose all necessary town officers for the year ensuing.

Article 4. To see if the town will vote to have a revaluation of the town by reliable appraisal engineers and to see what sum of money will be appropriated and raised for the same.

Finance Committee recommends that, this article ought to pass, (YES). That it be voted on by ballot. If it does pass by ballot "YES," That \$2,500.00 be raised by appropriation this year, and the Town be bonded to pay the balance, and that the bonds be paid in three equal yearly payments, in the years 1956, 1957 and 1958.

Article 5 To see what sum of money the town will grant and raise for roads and bridges for the year ensuing.

Finance Committee recommends \$4,000.00.

Article 6. To see what sum of money the town will grant and raise for winter roads for the year ensuing, and to see if the town will vote to transfer the balance of \$1,610.46 from the 1954-55 winter roads account to the winter roads account for 1955-56.

Finance Committee recommends \$3,000.00 be taken from excise taxes.

Article 7. To see what sum of money the town will grant and raise for the support of charities for the year ensuing.

Finance Committee recommends \$2,000.00.

Article 8. To see what sum of money the town will grant and raise for incidentals for the year ensuing.

Finance Committee recommends \$2,000 00.

Article 9. To see if the town will grant and raise the sum of \$2,420 to pay town officers' salaries for the year ensuing, or take any action relative thereto.

Finance Committee recommends \$2,420.00.

Article 10. To see what sum of money the town will grant and raise for Free High School, Common Schools, Text Books and Supplies for the year ensuing, including Superintendent's Salary and Insurance.

Finance Committee recommends \$33,000.00.

Article 11. To see what sum of money the town will grant and raise for repairs and improvement for school buildings for the year ensuing.

Finance Committee recommends \$2,500.00 and that the balance of \$397.00 from the 1954-55 account be transferred to the 1955-56 account.

Article 12. To see what sum of money the town will grant and raise for conveyance of high school students to Sanford High School for the year ensuing.

Finance Committee recommends \$4,700.00.

Article 13. To see what sum of money the town will grant and raise for a health nurse for the year ensuing.

Finance Committee recommends \$600.00.

Article 14. To see if the town will grant and raise a sum of money to be used in conjunction with Red Cross funds for the maintenance of a dental clinic for school children, and if so, how much.

Finance Committee recommends \$100.00.

Article 15. To see what sum of money the town will grant and raise for County tax, for the year ensuing.

Finance Committee recommends a sum sufficient.

Article 16. To see what sum of money the town will grant and raise for maintenance of a town dump for the year ensuing.

Finance Committee recommends \$500.00.

Article 17. To see what sum of money the town will grant and raise for the observance of Memorial Day 1955.

Finance Committee recommends \$100.00.

Article 18. To see if the town will vote to grant and raise the sum of \$1,200.00 to be used with State Aid road funds.

Finance Committee recommends \$1,200.00.

Article 19. To see what sum of money the town will grant and raise for street lights for the year ensuing.

Finance Committee recommends \$1,560.00.

Article 20. To see if the town will vote to authorize the Selectmen and Treasurer to borrow money on the credit of the town to pay current bills.

Finance Committee recommends that authority be granted.

Article 21. To see what sum of money the town will grant and raise for the aid of the Waterboro Fire Department for the year ensuing.

Finance Committee recommends \$3,200.00.

Article 22. To see what sum of money the town will grant and raise for main pond roads in Bradbury Park, so-called, on the east side of Ossipee Lake and

Johnson's Park, so-called, of the west side of Ossipee Lake, and Hanscom's Park, so-called, of the north side of Ossipee Lake.

Finance Committee recommends \$1,000.00 to be taken from excise taxes.

Article 23. To see if the town will vote to pay the collector of taxes $1\frac{1}{2}\%$ of all taxes collected.

Finance Committee recommends ought to pass and that a sum sufficient be raised.

Article 24. To see if the town will vote that the Collector of Taxes charge interest on taxes unpaid on February 1, 1956, interest to start on September 1, 1955, at the rate of $\frac{1}{2}\%$ per month.

Finance Committee recommends passage of the article.

Article 25. To see if the town will grant to the Selectmen authority to convey by quit claim deeds any real estate to which the town has gained title through tax liens and to sell any other property which the town has acquired through nonpayment of taxes.

Finance Committee recommends authority be granted.

Article 26. To see if the town will vote to transfer the balance of \$1,240 00 from the 1954-55 Carpenter road account to a similar account for 1955-56.

Finance Committee recommends transfer be granted.

Article 27. To see if the town will vote to grant and raise \$500 and transfer the balance of \$215.60 from the

1954-55 account to be used for gravel in conjunction with Town Road Improvement funds.

Finance Committee recommends Transfer of balance and \$500.00 be taken from excise taxes.

Article 28. To see if the town will vote to accept the right of way leading from Pearl Street to the property of John Nason and a strip on the west side of the Nason property to the property of Melville Rick-er, for a street, if given title to the same. On petition of John Nason.

Finance Committee recommends not to accept.

Article 29. To see if the town will vote to close the "Sand Crossing Road" so-called leading from State Aid Road No. 4 or Lindsay Road, so-called, to U. S. Route 202.

Finance Committee recommends road be closed.

Article 30. To see if the town will grant and raise an amount sufficient to widen the road on Pound Hill and Colby's Hill on the Ossipee Hill road, so a white line can be put in the middle and the school bus will have a chance to pass a car on the dip of this hill.

Finance Committee makes no recommendation.

Article 31. To see if the town will vote to transfer \$1,100.00 of the balance of the 1954-55 tar account (Article 36) to be used in conjunction with the 1955-56 Town Road Improvement funds to tar the Gould road, so-called, and transfer the remaining \$400.00 to the Roads and Bridges Account to tar the road from Route 202 to the residence of Robert Ramsell.

Finance Committee recommends ought to pass.

Article 32. To see if the town will vote to close any or all the following town roads:

a) From the Webber place (formerly Furber or Nason place) to the Carpenter road, so-called, at North Waterboro.

b) From Middle road (red school house, so-called) to the West road near Ross Croner.

c) From the Middle road to Mark Hill place, so-called.

d) From the West road near property of Sanborn heirs to the Middle road.

e) From the West road near the residence of James O'Brien to the New road, so-called. (discontinued.)

f) From the Buxton road, near Lone Pond to Lord's brick house, "Orchard Road," so-called.

g) Williams road, so-called, from Kimball's camp by the dump to the Deering Ridge road.

h) From the Williams road, so-called, to the Deering's Ridge road.

i) From New Dam road to Chadbourne's Ridge road. Part of Old Portland road, so-called.

j) From Ossipee Hill road near Louis Colby's residence to the road leading to the lookout tower.

k) Ossipee Mountain road from "Swett's Lane," so-called, to the road leading from North Waterboro to the Red Schoolhouse, so-called.

l) Allen road, so-called, from Ossipee Hill road near Gilbert Thompson's residence to the Middle road.

m) Clark's Bridge road, so-called, from Happy Valley to the discontinued section near Clark's Bridge.

n) From Thyng's Mills, so-called, to Happy Valley, so-called.

o) from John Knight's road, so-called, to the John Woodsome place, so-called.

p) Oak street, so-called, from Chadbourne's Ridge road to the Webber road, so-called.

Finance Committee recommends closing these roads subject to agreements with abutters to grant right of way for fire lanes.

Article 33. To see if the town will vote to authorize the Selectmen to petition the County Commissioners to close the following roads:

a) Nigger Hill road, so-called, from the McConkey property to the Alfred line, toward North Alfred.

b) John Carpenter road, so-called, from the residence of Thomas McConkey to the Alfred town line near Al Carpenter's place.

c) Stevens and West Buxton roads, so-called, from Chadbourne's Ridge road to the Hollis town line.

d) Thyng's Mills road from the Red Schoolhouse, so-called, to the Shapleigh town line.

Finance Committee recommends authority be granted subject to agreements as in Article 32.

Article 34. To see if the town will vote to grant and raise \$800.00 to tar Roberts Ridge Hill.

Finance Committee recommends \$800.00.

Article 35. To see if the town will vote to grant and raise \$350.00 for Civilian Defense.

Finance Committee recommends \$350.00.

Article 36. To see if the town will grant and raise \$50.00 for Maine Publicity Bureau.

Finance Committee recommends \$50.00 to be taken from excise taxes.

Article 37. To see if the town will grant and raise \$300.00 for right of way improvement on closed roads for fire lanes.

Article 38. To transact any other business that may lawfully come before said meeting.

The Selectmen hereby give public notice that for the purpose of correcting the check list of voters, they will be in session at the Town House, in said Town, on the 12th day of March 1955, from 2 o'clock until 4 o'clock P. M., and from 7 o'clock to 9 o'clock P. M.

The Selectmen give further notice that the polls for the election of Town Officers under Article 3 of this Warrant will be open fifteen minutes after the completion of business under all other Articles in the Warrant, and remain open until 7 o'clock of that day.

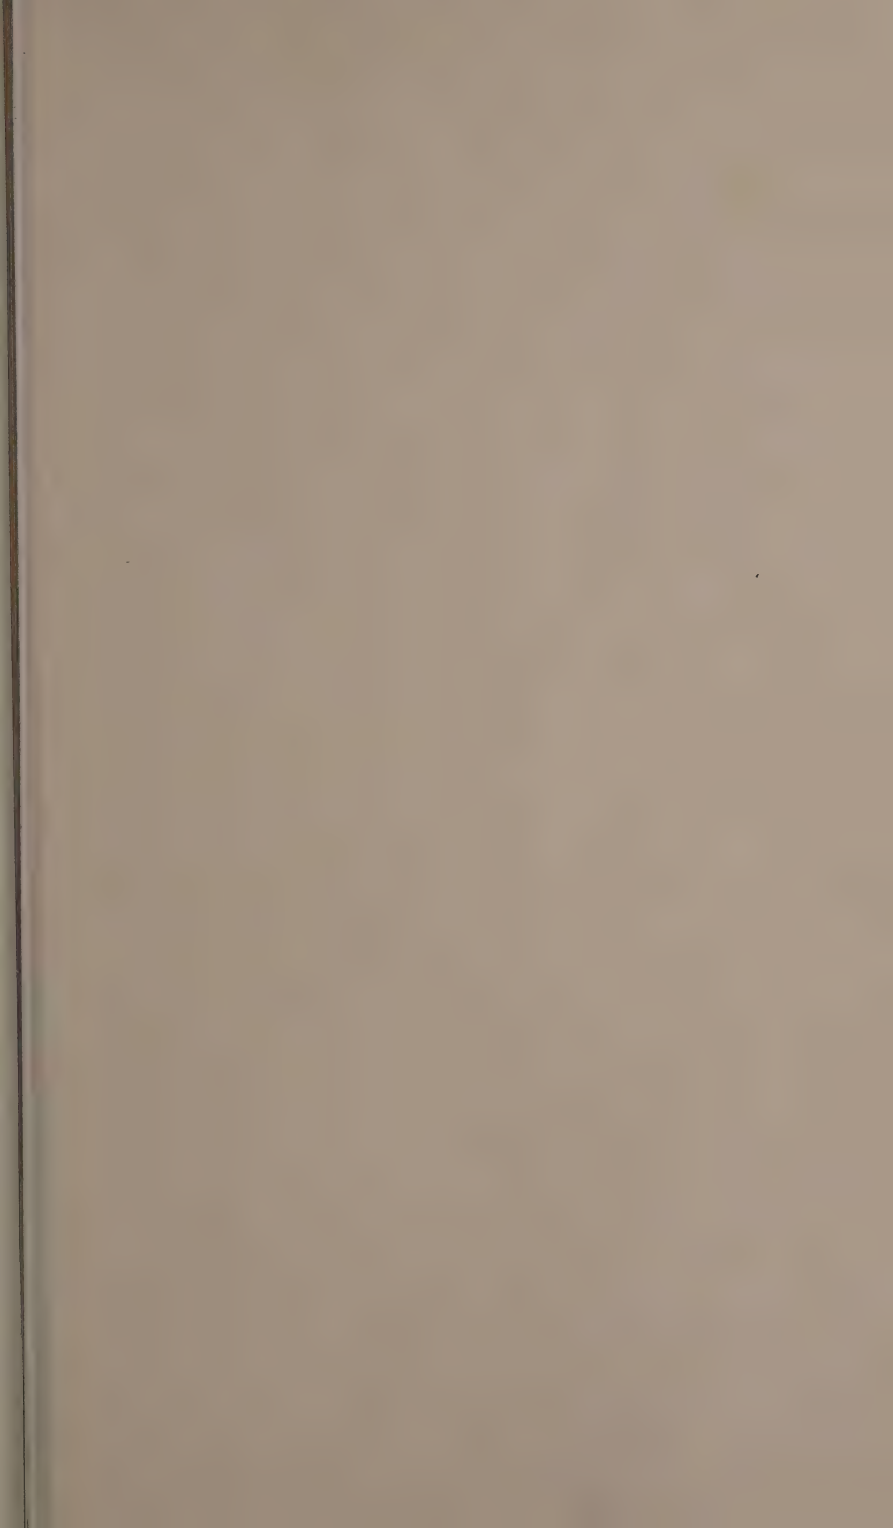

WITNESS: Our hands at said WATERBORO, MAINE, this twenty-first day of February, A. D. 1955.

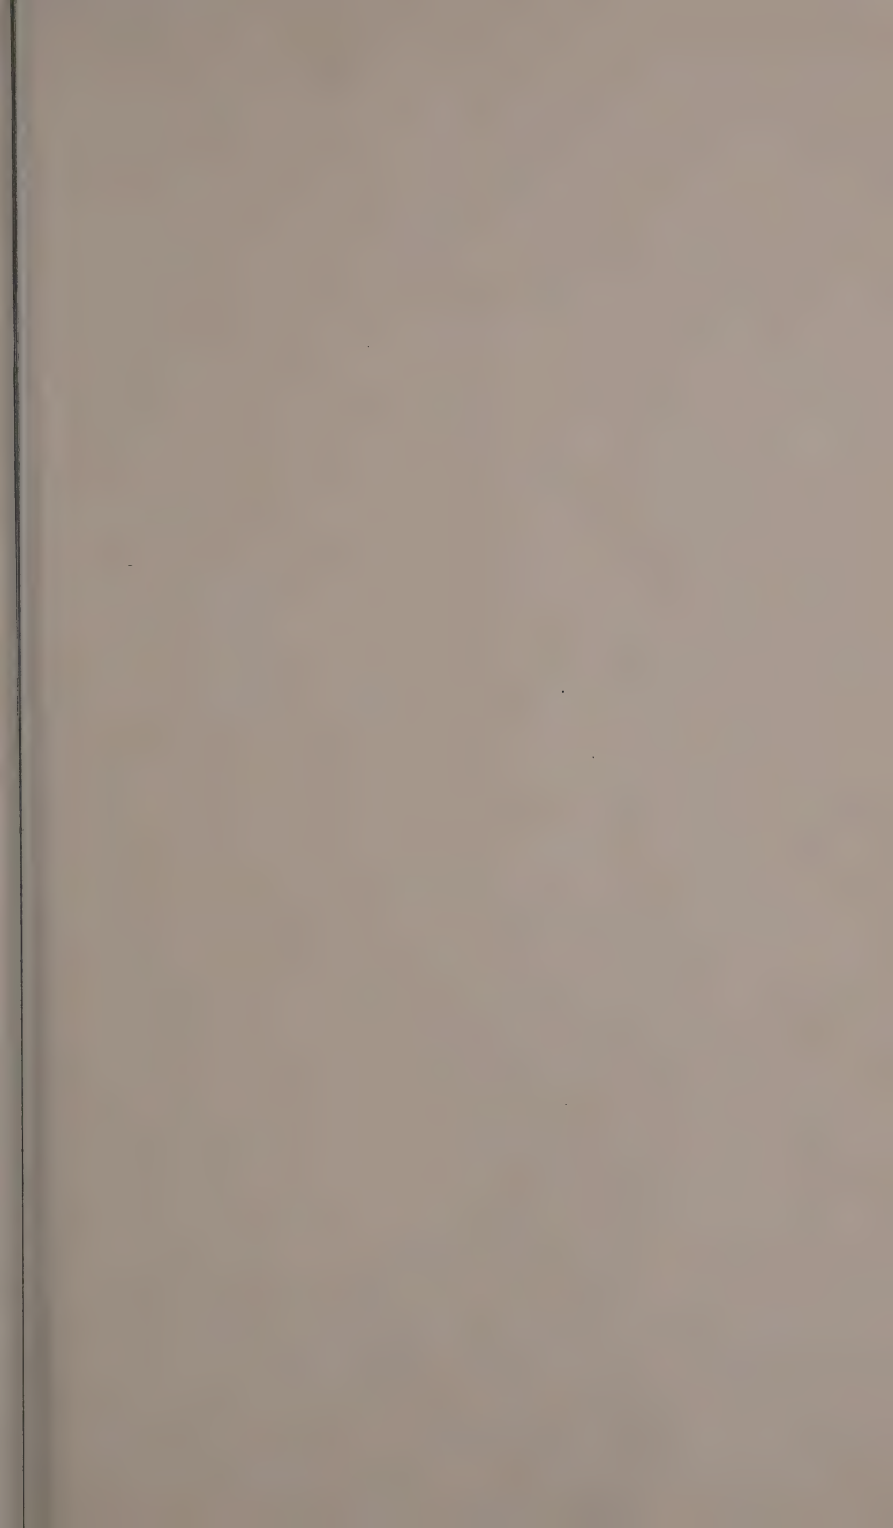

Respectfully submitted,

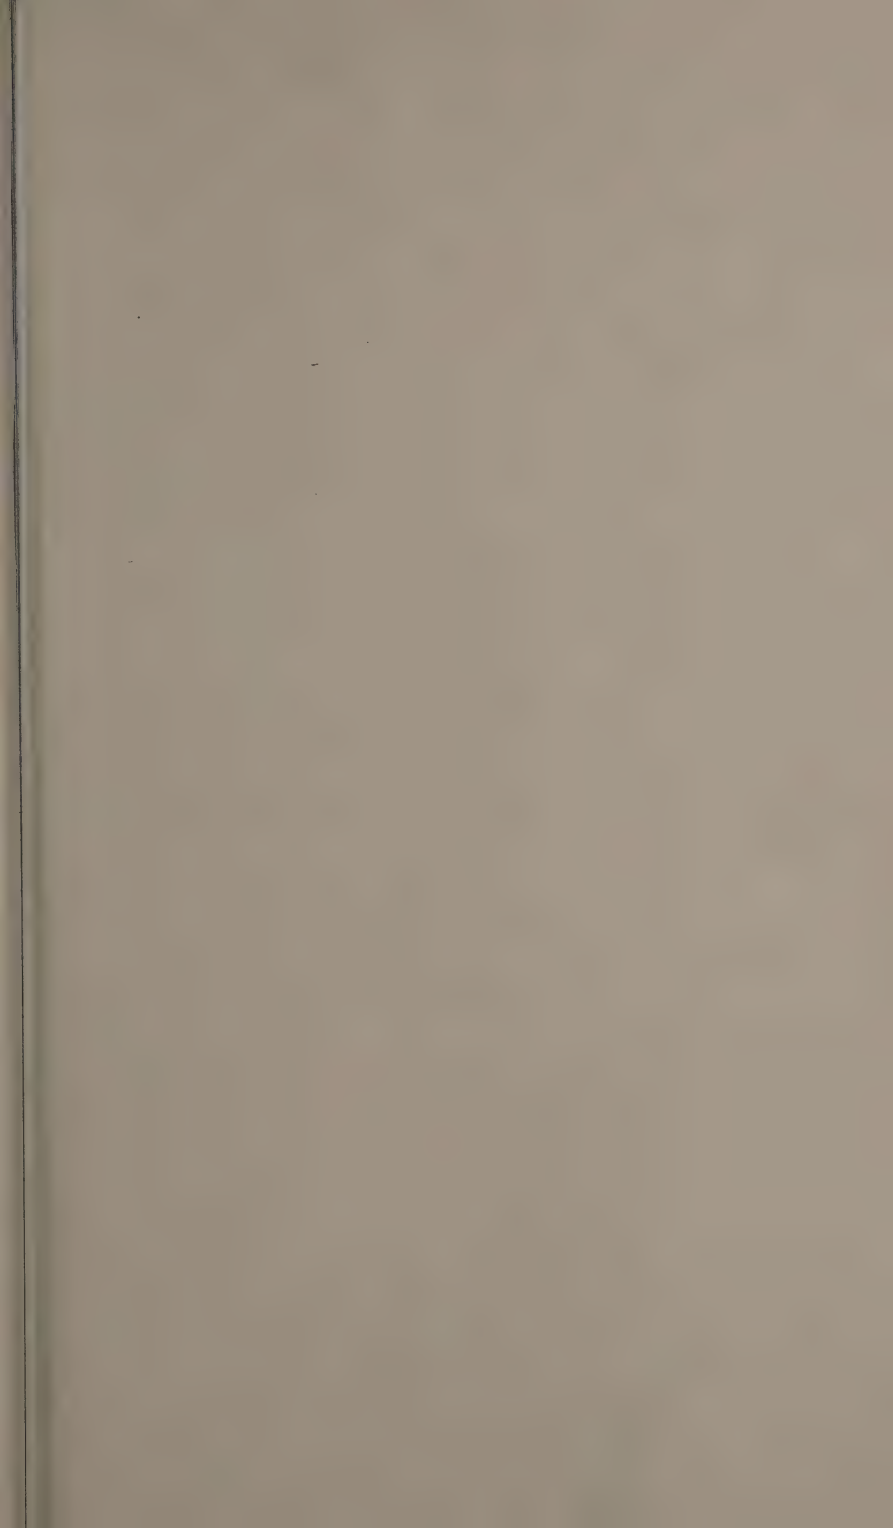

EARLE T. BLODGETT,

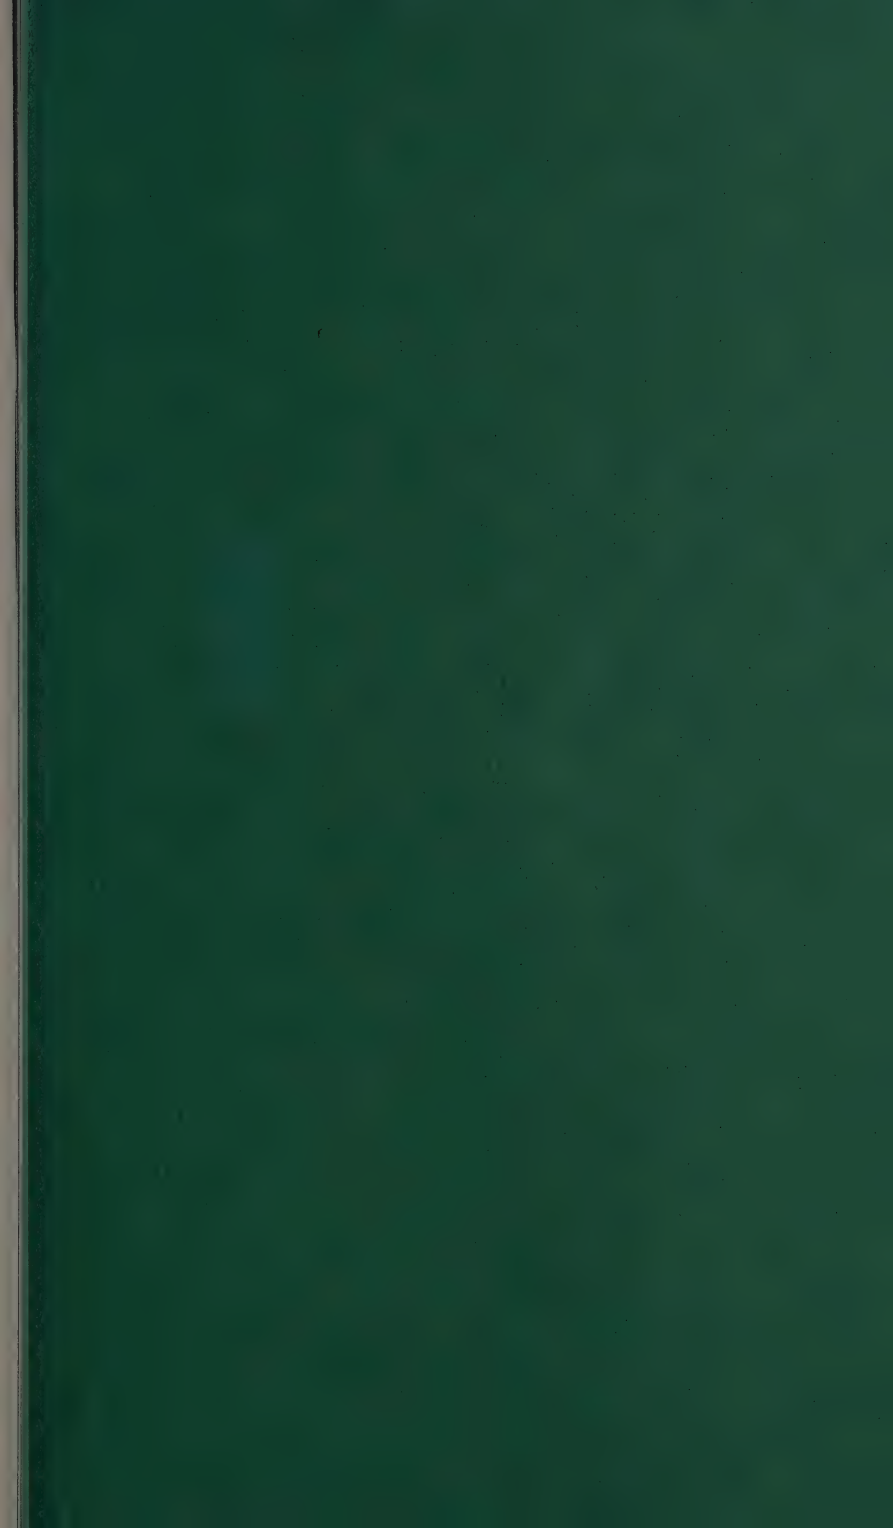

ANDREW C. WOODSOME,

Selectmen of Waterboro, Me.

TOWN ROAD IMPROVEMENT FUND

Note: This work was performed under Sidney W. Chute, foreman. All expenditures were reimbursed from State funds and were, in no part, a part of the tax assessment for 1955. The work performed, consisted of major improvements on the unimproved road leading from the road to Ross Corner to the McConkey residence, that section of improved road leading from State Highway 5 past the residence of Ernest Clapper and ending at the Walker lane and work on the County Road from Bradeen's to Chadbourne's Ridge to Edgecomb Ridge.

There were also 25 births and 32 marriages recorded.

Respectfully submitted,

HARRY A. SMITH,

Town Clerk, 1955

TOWN CLERK'S REPORT ON DOG LICENSES

During the year 1955 there were one hundred thirty-four (134) Dog Licenses issued from this office. In addition there was one (1) Kennel License issued.

These licenses represent two hundred two dollars and fifty cents (\$202.50) which was received and paid to the Treasurer of the State of Maine on and before December 31, 1955.

The following licenses were issued:

Eighty-four (84) Males	\$ 75.60
Thirty-two (32) Spayed Females	28.80
Eighteen (18) Females	88.20
One (1) Kennel	9.90
	\$ 202.50

Respectfully submitted,

HARRY A. SMITH,

Town Clerk

NOTICE TO DOG OWNERS

Your 1956 Dog License will be due and payable April 1st. If unpaid by June 1st, you will be notified by mail and an extra fee of 85¢ added, as permitted by law, then, if unpaid you may be summoned into court which will cost you several times the cost of the license.

Do not look for any Collector to call. This is a License, not a Tax, and it is up to you to see that it is PAID.

See Revised Statutes, Chapter 5, as amended.

AUDITOR'S REPORT

February 18, 1956

Board of Selectmen
Town of Waterboro
Waterboro, Maine

Gentlemen:

In accordance with your request, we have audited the records of the Town of Waterboro for the Municipal year ended January 31, 1956.

The examination was made in accordance with generally accepted auditing standards and included all procedures which were considered necessary. Insofar as could be determined, within the scope of the examination, the financial affairs of the Town appear to have been administered in a proper manner.

The results of the audit are disclosed in the exhibits and schedules embodied in this report, and fairly present the financial position of the Town of Waterboro, and the results of its operations for the Municipal year ended January 31, 1956.

Respectfully submitted,

L. EVERETT OUTHUSE,

leo/o

ANNUAL REPORT OF PUBLIC HEALTH NURSE

Public health nursing service through the Department of Health and Welfare has been given your town since October 1955. This service is available to everyone in Waterboro, not just a special age group, or those with any one health problem. The aim of such a program is prevention of illness rather than cure. Therefore, the service includes home visits to mothers before and after the baby arrives, to infants, pre-school children, school children, crippled and cardiac children, and to adults with health problems. Schools are visited regularly, teacher-nurse conferences are held and home visits made to children with health problems. For the infants and pre-school children, child health conferences may be offered. To such conferences parents may bring children of these ages for a medical examination and for immunization against diphtheria, whooping cough, tetanus and smallpox. Our thought is that the earlier one is exposed to such medical attention, the easier it is to accept and follow through with routine check-ups as one becomes an adult.

Anyone known or suspected of having tuberculosis may be visited regularly by the nurse. She may give help in securing medical care, teaching the patient and family proper home care and arranging for examination and x-ray of persons in close contact with tuberculosis patients. This is the most effective method of finding new cases of tuberculosis and getting prompt medical care for them. The York County Tuberculosis and Health Association is always cooperative in giving any assistance requested.

Much time has been spent in meeting people and becoming acquainted with the town since I first started working in Waterboro. Visits to teachers have been made regularly. The teachers and I have talked over health problems, and I have made several home visits as a result to talk with parents. I cannot help but notice the quiet orderliness of the pupils as they pass through the corridors and the cafeteria and on the stairs, which is maintained without rigid discipline. The vision testing, individual student inspection and weighing and measuring has been assumed by the teachers as provided by the State Department of Education. Hearing testing will be done in the first three grades by the nurse with a Puretone audiometer. This is an instrument to test the hearing of one child at a time more accurately than the group method. I have also visited infants and pre-school children. Many children are not being seen by their doctor unless they are sick. Very few of the young children are immunized against diseases such as whooping cough, diphtheria and smallpox—diseases which can occur if adequate immunization is not maintained.

In considering future plans to meet these and other interests and needs, cooperation from both sides is of the utmost importance. There are many health problems of which I am not aware. The people in the town who are aware of them have the privilege and responsibility of calling these problems to my attention. I have services that I can offer to help you meet them. One way of pooling this information and getting the most from your nursing service is by the formation of a group of townspeople who meet to plan for community health. Such a group, usually called a Health Council, has as its functions: 1) findings, studying, and seeking volunteers to health problems, 2) furnishing volunteers at community health activities, 3)

interpreting public health nursing service to the community and 4) cooperating with local service groups.

In order to expand the public health nursing program in Waterboro, the continued cooperation of the town officials, school personnel, and the members of the community is necessary.

I would like to take this opportunity to express my appreciation to the many citizens who have shown me so much friendliness and cooperation.

Respectfully submitted,

HELEN L. BASSETT, R. N.

Division of Public Health Nursing

REPORT OF THE SUPERINTENDING SCHOOL COMMITTEE

To the Citizens of Waterboro:

Throughout the past year the School Committee has continued the policy of keeping the public informed of the activities, problems, accomplishments, and also of the needs and plans for the future, of the school system of your town. This was done through the Weekly Teacher Progress reports in the Sanford Tribune, through the holding of the annual School Open-House Program during National Education Week in November, and more recently through the organization and publicity of the newly formed Waterboro Parents Club.

It is customary to review annually in the Town Report what the School Committee and the Schools have been doing during the previous twelve months along with comments thereon; this year we are attempting to brief our comments due to the previously mentioned good publicity and because the report of the Superintendent and the listing of the itemized school expenditures provides most of the detailed information about the schools and it need not be repeated here.

Last June 15 Waterboro students were graduated from Sanford High School, several members of this group attained high honors, and several others attained honors. This was a fine group of Waterboro students and a remarkable achievement in view of the total enrollment at Sanford of well over 600 students. Most members of this class we are pleased to report have

now either gone on to college, joined some branch of the Armed Forces, or are working at gainful employment and holding down respectable jobs.

As reported many times previously school expenditures are high here just as they are elsewhere and they are still continuing to increase yearly due mainly to several uncontrollable factors such as rapidly increasing teacher salaries, rapidly increasing school enrollments, and improved modern educational materials, thus bringing on higher school costs and increased tuition rates. In face of these factors your Committee has worked hard in attempting to keep your 1956-1957 school budget within reason. The school buildings are in reasonably good repair, so the Repairs Account is to be reduced; the teachers' salaries are now at the minimum wage standard that a four-year teachers college graduate can command on first teaching position, thus this will be held as is for the coming year; the bus conveyance has been surveyed carefully and no increase is anticipated here, and a sizeable balance on hand has been carried over from the 1955 school year account.

Bearing the above paragraph in mind and that it is anticipated that only two Waterboro students will graduate from Sanford High School in June, it is anticipated that 22 present eighth graders will enroll as freshmen at Sanford High School in September, and that it is anticipated that approximately 27 children will enroll in the first grade in September, increasing our total school enrollment by 25; we as a Committee feel that we are making a very reasonable request in asking for an increase of slightly less than \$3,000.00 more at Town Meeting this year over and above that which was so generously appropriated for the 1955-56 school year.

A recent survey shows that there are now 45 more Waterboro children attending school than were enrolled four years ago, and in September it is anticipated that there will be 70 more Waterboro children attending school than were enrolled five years ago.

Regarding tuition for Waterboro students to Sanford High School as mentioned in our 1955 report there was no increase as promised in that tuition rate for the 1955-56 school year over that of 1954. There will be a tuition increase of \$50.00 per student over the present rate starting with the 1956-57 school year. As for the comment in our 1955 report about the "anticipated no tuition increase statement for a number of years to follow," which was based on a conversation between the Sanford Superintendent and one of your present board members, the statement was made in good faith by a man of good faith and was passed on by your School Board with every good intent. As to our board member who was responsible for this comment, that member was at one time cautioned by a local man that although the Superintendent has much influence, the Sanford School Board makes the final decision, this advice proved to be true. With increased school costs, and the present Sanford economic condition—thus the reversed decision from a year ago. In spite of this increase this still is a bargain rate as high as secondary education rates are running elsewhere.

As stated in 1951, your present committee and the State Department of Education still maintain that the Waterboro-Sanford arrangement is educationally sound and financially practical. It is understood that several exhaustive studies have been made on this by local people as well as by members of your committee. Reports seem to indicate for the time being at least, and they coincide with ours; there at present is no

alternative or better solution from any angle of approach. The record of Waterboro students now attending Sanford High School and the record of Waterboro students who have attended or graduated from Sanford High School speaks for itself, no further elaboration is necessary on this subject.

Early in February your School Committee along with other school committees of towns sending students to Sanford High School attended a very interesting program on the school curriculum there. Mr. Lawrence Page, Principal, prepared the program and we heard faculty members discuss such subjects as guidance, business education, vocational education, college preparation, physical and health education and many other important aspects of the educational program being carried on at Sanford.

Early in February we are very pleased to report that Waterboro passed a milestone for a Parents Club was formed, a club which today is a very necessary and essential unit for a fully successful educational operation in any community.

As a semi-climax it is with regret that your School Committee, an affiliate of School Union No. 6, has accepted the resignation of Superintendent Maynard E. Wright, effective July 1st, after 36 years of loyal and faithful service to Waterboro and the other six towns within our school union. It is our hope that Mr. Wright may have a long and happy retirement after a lifetime of devotion to the educational progress of our area. It is our prediction that it is going to take an extremely capable and patient individual to fill this position equally as well as it has been filled these past 36 years.

In closing we wish to take this opportunity to thank all of the individuals and organizations which have so fully cooperated with us in our endeavor to maintain a good educational system for all Waterboro pupils.

Respectfully submitted,

WILLIS A. LORD,

ALLERTON B. SMITH,

JEANETTE T. RICARD,

Superintending School Committee

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Members of the Superintending School Committee, Citizens of Waterboro, I herewith submit my thirty-sixth and final annual report of schools.

Elementary enrollment at the present time is one hundred eighty-six. Of this number five are tuition pupils from Lyman. Thirty-eight pupils attend Sanford High School and until recently tuition was being paid for one in Limerick High School. Grades one and two at East Waterboro have a registration of twenty-six each. The remaining six grades at South Waterboro are grouped as follows: Grade 3, 35; Grade 4, 21; Grade 5, 16; Grade 6, 16; Grade 7, 23; Grade 8, 23.

The practice of repairing and improving the two school buildings has been continued during the year. The classroom windows of the building at East Waterboro were weatherstripped. This together with a change made in the oil burner has greatly improved heating conditions there. Fluorescent lights were installed in Grade seven room and new seats were purchased for grades four and five. Minor repairs have been made where necessary.

The school lunch program is being continued at South and East. The extra expense of maintaining two programs resulted in a deficit in this department. The town was asked to help meet the situation. This was done by a special appropriation.

Very recently an association of parents and teachers was organized. Such a group working together

can offer the schools much support morally and financially. They have our hearty endorsement.

At the last session of the legislature the law governing the distribution of subsidies to schools was changed. The change divides the towns of the State into twenty-four classifications instead of nine as was formerly the case. Subsidies range from sixty-five percent in towns where the State valuation per resident pupil is \$3,000.00 and under to fifteen percent where the State valuation per resident pupil is \$15,000.01 and more. Waterboro is in classification 16 and for the next biennium will draw 28 percent of the cost of school maintenance.

Thirty-six years in retrospect is a long time. Much has happened. Undoubtedly mistakes have been made but we sincerely hope that the overall accomplishment has meant progress for the schools of Waterboro. We have tried to keep pace with the years.

In 1920 five buildings were in use for elementary purposes; a two-room building at South and four one-room buildings at Old Corner, East Waterboro, Waterboro Center, and North Waterboro. Most of the secondary pupils attended Alfred High School until the fall of 1922 when Waterboro High School was opened. It was not until the following January that the building was completed and sufficiently equipped to take care of the grades.

The present two-room building at East Waterboro was begun in 1925 and was ready for occupancy in January, 1926. That same year the school at Center was closed and the pupils from that district were conveyed to East.

In 1935 the school house at North Waterboro was remodeled making it a two-room building and it was

maintained as a two teacher school for about four years. Later it was modernized and used as a one-room school until it was finally closed in 1952.

June, 1934 saw the closing of the school at Old Corner. Pupils from there were conveyed to South.

By vote of the town Waterboro High School was closed in 1952. It was also voted to pay the cost of conveying pupils to Sanford High School. The educational advantages offered by this change and the record made by Waterboro pupils attending school in Sanford speak for themselves.

Ending an association that has continued for so long a time is not easy. I find it very difficult to express my feelings adequately. I do wish to express to you, the citizens of Waterboro, my most sincere appreciation for the friendliness and cooperation you have given me for so many years. To the members of the school committee, teachers and all school personnel my thanks and best wishes for the years to come.

Respectfully submitted,

MAYNARD E. WRIGHT,

Superintendent of School.

REPORT OF WATERBORO CIVIL DEFENSE AND PUBLIC SAFETY AGENCY

North Waterboro, Maine
February 27, 1956

To the Selectmen, Town of Waterboro, Maine.

Following is a report of the Waterboro Civil Defense and Public Safety Agency for 1955.

Having been appointed as director in October, I should like to express my thanks to Mr. Lawrence Mansfield for his assistance in orienting me in the various duties of Director, to the Selectmen for their cooperation and to all other citizens of the town who have given support to me, for a better Civil Defense organization.

There are now 62 persons enrolled in First Aid Classes in Waterboro. Two classes are conducted, one for adults and the other for young people. These classes were organized by Miss Jeannette Tibbetts, of the Saco Chapter of Red Cross. These classes are sponsored by Civil Defense.

There is at present time no radio communication with other towns. In case of telephone failure in the near future we plan to have communication with Alfred and Sanford. In this connection, the Civil Air Patrol of Sanford has performed a very important service in one occasion.

We have at North Waterboro a very well equipped Control Center for Waterboro Civil Defense. There has been, in the last few months, a telephone installed

there for Civil Defense. The building is the old school house.

Alfred and Waterboro Civil Defense have worked together on the Ground Observer Post. The building has been moved to the old spot in Alfred, remodeled and painted inside. The post will be manned 24 hours a day with the help of the citizens from Alfred, Waterboro, and the institution at Alfred.

There are now 123 citizens enrolled in Civil Defense, they having taken the oath. Our quota is 210. Anyone who has not received their identification card with picture, should make arrangements as soon as possible.

Respectfully submitted,

WALTER J. ROBERTS, Director
Waterboro Civil Defense and
Public Safety

WARRANT

STATE OF MAINE

County of York, ss.

To

ARTHUR W. BRACKETT

A Constable of Waterboro, in the
County of York and State of Maine

GREETING:

In the name of the State of Maine, you are hereby commanded to notify and warn the Inhabitants of said Waterboro, qualified to vote in town affairs, to assemble at the Town House, in said Town, on Saturday, the 10th day of March, A. D., 1956 at 10 o'clock A. M., then and there to act on the following articles, to wit:

Article 1. To choose a Moderator to preside at said meeting.

Article 2. To choose all necessary town officers for the year ensuing.

Article 3. To see if the town will vote that all unexpended balances in the several departments of Town Government of Waterboro be reappropriated and added to the appropriations for 1956 made this day.

Finance Committee recommends yes.

Article 4. To see what sum the town will grant and raise for Roads and Bridges for the year ensuing, including Pond Roads.

Finance Committee recommends \$3,500.00.

Article 5. To see what sum the town will grant and raise for Winter Roads for the year ensuing.

Finance Committee recommends \$2,000.00.

Article 6. To see what sum the town will grant and raise for the support of Charities for the year ensuing, the same being in lieu of former appropriations for Support of Poor, Aid to Dependent Children, etc.

Finance Committee recommends \$3,000.00.

Article 7. To see what sum the town will grant and raise for Incidentals for the year ensuing.

Finance Committee recommends \$2,000.00.

Article 8. To see if the town will vote to grant and raise the following amounts for Salaries of Town Officers, to wit: Selectmen, Assessors and Overseers of Poor—Chairman, \$500.00, two other members \$400.00 each; Treasurer, \$300.00; Town Clerk \$25.00; Members of Superintending School Committee, Chairman \$75.00, two other members \$50.00 each, Total \$1,800.00.

Finance Committee recommends \$1,800.00.

Article 9. To see if the town will grant and raise the sum of \$36,000.00 for the maintenance of Free High School, Common Schools, Text Books and Supplies, Tuition and Superintendent's Salary for the year ensuing.

Finance Committee recommends \$36,000.00.

Article 10. To see what sum, if any, the town will vote to grant and raise for Civil Defense for the year ensuing.

Finance Committee recommends \$350.00.

Article 11. To see if the town will grant and raise the sum of \$4,700.00 for High School Transportation for the year ensuing.

Finance Committee recommends \$4,700.00.

Article 12. To see if the town will vote to grant and raise the sum of \$1,500.00 for Repairs, Equipment and Insurance Account, School Buildings for the year ensuing.

Article 13. To see if the town will vote to grant and raise a sum sufficient to pay the County Tax for the year ensuing.

Finance Committee recommends a sum sufficient.

Article 14. To see what sum, if any, the town will grant and raise for the maintenance of a Town Dump for the year ensuing.

Finance Committee recommends \$400.00.

Article 15. To see if the town will vote to pay the Collector of Taxes a compensation of $1\frac{1}{2}\%$ as compensation for services as such Collector for all taxes collected for the year ensuing.

Finance Committee recommends ought to pass and that a sum sufficient be raised.

Article 16. To see if the town will grant and raise a sum of money for Health Nursing in Waterboro for the year ensuing, and if so, how much, to be expended by the Maine Health & Welfare, Bureau of Health, for local service.

Finance Committee recommends continued service of Health Nurse.

Article 17. To see if the town will vote to grant and raise a sum of money for the observance of Memorial Day.

Finance Committee recommends \$100.00.

Article 18. To see if the town will vote to grant and raise the sum of \$1,200.00 for State Aid Construction (in addition to the amounts regularly raised for the care of Ways, Highways and Bridges), under the provisions of Section 44 and 49, Chapter 23, R. S. 1954.

Finance Committee recommends \$1,200.00.

Article 19. To see what sum the town will grant and raise for Street Lights, Beacon Service and Town House Lights for the year ensuing.

Finance Committee recommends \$1,660.00.

Article 20. To see if the town will vote for the installation of four additional street lights upon the highways of Waterboro, namely: Two on Hamilton Road, one near the residence of Grace Scribner, and one at South Waterboro village for the better lighting of the "Square", so-called.

Finance Committee recommends yes.

Article 21. To see if the town will vote to grant and raise a sum of money and, if so, how much, to continue the application of tar to the following highways in Waterboro: 1. From State Highway No. 4 to residence of Robert Ramsell; 2. Ossipee Hill Road, from Waterboro Center to residence of Louis Wood; 3. The Champ C. Gould Road; 4. The road from North Waterboro to residence of Austin Carpenter; 5. On that section of Twomey Road that was rebuilt in 1955.

Finance Committee recommends \$3,000.00.

Article 22. To see if the town will grant and raise a sum of money and, if so, how much, to be used in connection with the Red Cross funds, for the maintenance of a Dental Clinic for School Children for the year ensuing.

Finance Committee recommends \$200.00.

Article 23. To see if the town will vote to grant and raise a sum of money to be paid to the Maine Publicity Bureau to advertise the natural resources, advantages and attractions of the State of Maine, under the provisions of Chapter 91, Section 108, R. S. of Maine, 194, and, if so, how much.

Finance Committee recommends \$50.00.

Article 24. To see what sum of money the town will grant and raise for the benefit of the Waterboro Fire Department.

Finance Committee recommends \$3,200.00.

Article 25. To see if the town will vote to authorize the Selectmen and Treasurer to borrow money on

the credit of said town to pay current bills in anticipation of taxes.

Finance Committee recommends that authority be granted.

Article 26. To see if the town will authorize the Selectmen to repay to Starrett Pierce the amount paid by him for a tax on the so-called "Lane place" in 1954, the same having been sold to him prior to April 1, 1954 to one Kennedy, who also paid an assessment on the same property.

Finance Committee recommends yes.

Article 27. To see if the town will vote to authorize the Selectmen on behalf of the town to sell and dispose of any real estate acquired by the town for the non-payment of taxes on such terms and conditions as they may deem advisable and execute Quit Claim Deeds for the same.

Finance Committee recommends this to be voted on Town House floor.

Article 28. To see if the town will grant and raise a further sum, and if so, how much, to repair the road from the top of "Hasty Hill," so-called, to the former residence of the late David Gray.

Finance Committee recommends \$150.00.

Article 29. To see if the town will vote to grant a certain sum for the maintenance of the Hot Lunch Program in schools in Waterboro for the ensuing year, and to raise the further sum of \$399.54 to balance the 1955 account, no appropriation having been made therefor.

Finance Committee recommends \$700.00.

Article 30. To see if the town will vote to authorize the Collector to charge interest at the rate of $\frac{1}{2}\%$ per month on all 1956 taxes unpaid 1957, February 1st, from October 1, 1956.

Finance Committee recommends this should be passed.

Article 31. To see if the town will vote to instruct the Selectmen to enter into a compact with the State of Maine for the suppression of the Dutch Elm disease, and for the suppression of the Gypsy and Brown Tail Moths in town in infected areas.

Finance Committee recommends \$100.00.

Article 32. To see if the town will instruct the Selectmen to replace the bridge across the so-called Downs brook, located on the way leading from the "Sand Crossing" to North Alfred, and if so to appropriate the sum of \$200.00 for this purpose.

Finance Committee recommends \$200.00.

Article 33. To see if the town will vote to ratify the actions of the Selectmen of Waterboro in negotiating for the sale and conveyance of certain real estate known as the Orrin C. Boothby place in South Waterboro to Arthur C. Frizzle and Ronald A. Frizzle by Warranty Deed, and to ratify the acts of the Selectmen made in behalf of the Inhabitants of the town of Waterboro in executing, signing, sealing, acknowledging, and delivering a certain Warranty Deed, dated September 17, 1947 and recorded in the Registry of Deeds for said County of York in Book 1109 at Page 275, of the said Orrin C. Boothby place, so-called, to

said Arthur C. Frizzle and Ronald A. Frizzle, and to further clarify the title to said property, to see if the town will vote to authorize the Selectmen to execute a deed of Quit Claim of said property to said Arthur C. Frizzle and Ronald A. Frizzle in behalf of said town, and said Inhabitants, in further ratification thereof.

Article 34. To transact any further business that may lawfully come before said meeting.

The Selectmen hereby give public notice that for the purpose of correcting and making additions to the check list of voters, they will be in session at the town house at 9 o'clock on the 10th day of March, 1955.

And they give further notice that the polls for the election of Town Officers under Article 2 of this Warrant, will be opened fifteen minutes after the completion of business under all other articles of this Warrant, and remain open until 7 o'clock P. M. of said day.

WITNESS: Our hands at said Waterboro this twenty-fifth day of February, A. D. 1956.

No Money Expended this year.

Respectfully submitted,

ANDREW C. WOODSOME, Chairman

WILLIS A. LORD,

P/X ERNEST G. KNIGHTS Oct. 9, 1956

Selectmen Town of Waterboro, Maine

When asked by the Selectmen to write an article on Uncle Ern, I was a bit reticent, but will try to cover briefly the span of 81½ years.

He was born April 23, 1875 in South Waterboro, in the house now occupied by Glenn Bean, the oldest of four children and the only son of George W. and Emma Abbie (Walker) Knights. The daughters were my mother, Mary A. Carrigan who died at the age of 73, Luella who died at the age of 16 and Ina at the age of 3 months.

His education consisted of Waterboro Grammar School which is now Mert Bean's garage, graduated from Alfred High School where he tied for top honors and one year at the University of Maine. Lack of money prevented furthering his education and he returned to Waterboro where he taught school for a year. The salary was \$75.00 for the YEAR and with this being next to nothing, he went to Portland where he studied law days in the offices of Bird & Bradley. To support himself, he had the job of night watchman in the Portland Post Office.

Under the counsel and advice of his good friend, the late Hon. Amos L. Allen, U. S. Congressman and lawyer, Mr. Allen advised him to return to Waterboro to practice his knowledge of law and he could do many other things to make a living. In 1901 he met and married a widow, Mrs. Nellie J. Matthews and they came to East Waterboro where she bought the present home site. Shortly after that, he was appointed Trial Justice and to supplement his income he installed telephones, electric lights, repaired watches and clocks and was Superintendent of Schools. Not too much later, he added printing and surveying to his list. Through his knowledge of timber and surveying he met and made many lasting friends. One of these of whom he was most proud is Sherman Adams, the assistant to President Eisenhower. He was a reporter for the Associated Press, Biddeford Journal, the Waterboro News and for many years wrote the well known column as One Eyed Bill Smith, the weather prophet from Things Mills. In 1916, he joined the Alfred Lodge of Masons.

He was a well known and respected Democrat. In politics he served the town of Waterboro in every office with the exception of Town Clerk. He was elected as Senator from York County to the 94th Maine Legislature. To quote from his book which he published in 1955 (at the age of 80), "this was my greatest honor".

Aunt Nellie passed away in 1921 and in 1923, he met and married Elizabeth P. Lewis, a registered nurse from Fairfield, Maine. They had one daughter, Helen, who is now a secretary in the Department of Agriculture in Washington, D. C.

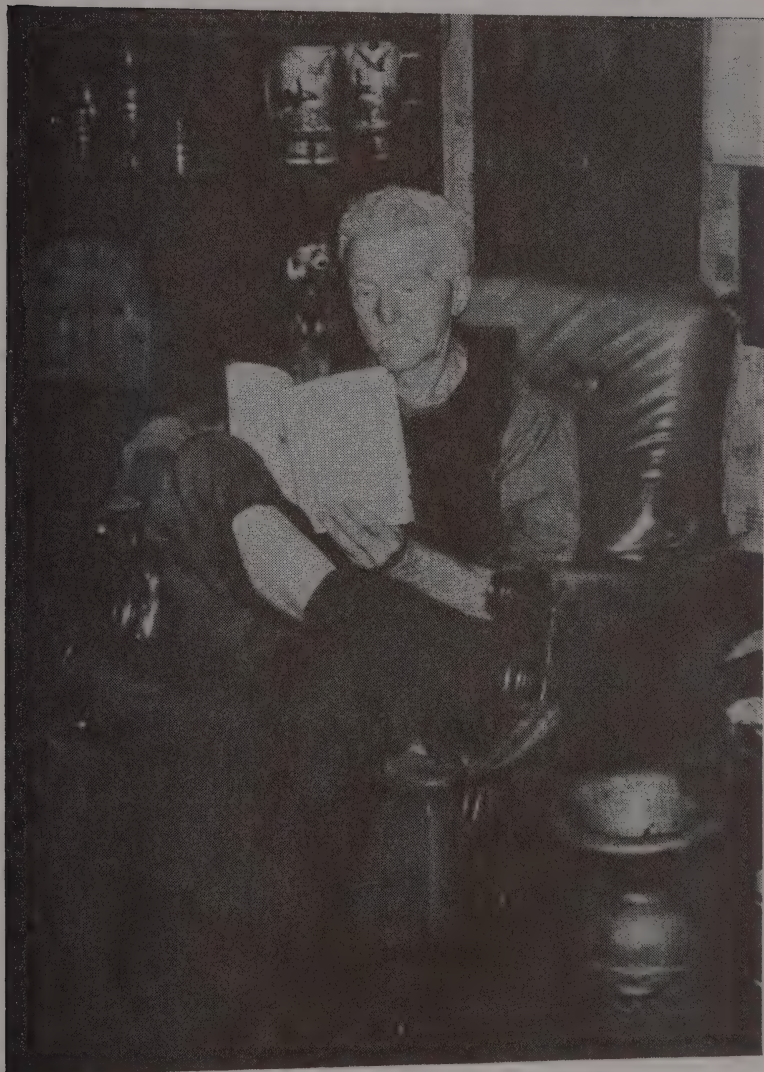

He possessed a keen mind with a most retentive memory and enjoyed exceptionally good health. He was a great man and a good man.

In August, his friend, Arthur J. Todd, Jr., a police officer from Malden, Mass., and a summer resident of Ossipee Lake, took several pictures of him. These were the last ones ever taken. This one sitting in the chair presented to him by his many town friends on his 80th birthday, his cluttered room and the cuspidor so clearly showing the "ones that missed," is a scene familiar to all.

On September 30, while playing his weekly game of cribbage with "Bub" Carll, he was stricken with a shock from which he never recovered. The end came on October 9.

As he so often quoted, "I do not fear to tread the path that those I love have long since trod. I do not fear to pass the gates and stand before the living God. In this world's fight, I've done my part and God is God. He knows it well."—His Niece, EMMA.

In Memoriam
A WATERBORO SON

ERNEST G. KNIGHTS
1875 -- 1956

Report of Treasurer

Total Receipts to Treasurer, February 6, 1957 .. \$3,320.50

TOWN OF WATERBORO, MAINE

At the time of Tax Commitment September 1, 1956 there was paid to the Treasurer the amount of \$2,196.93, Face Value Tax Liens, and as you will see in the Assessors' Report, they credited this amount to the Appropriations of 1956, in thus doing the Tax Rate of \$50.00 was arrived at for the year of 1956.

The Interest received is credited to the Account of Interest Paid on Tax Anticipation Notes.

The Costs Received will be Credited to Incidentals Account.

1955 TAX LIENS

The date of these Liens October 13, 1956 recorded at Alfred Registry October 15, 1956. The period of Redemption Expires April 13, 1958.

Respectfully submitted,

HARRY A. SMITH,

Town Clerk, 1956.

TOWN CLERK'S REPORT ON DOG LICENSES

During the year of 1956 there were one hundred fifty-three (153) Dog Licenses issued from this office. In addition there was one (1) Kennel License issued.

These licenses represent two hundred seventy-three dollars and thirty-five cents (\$273.35) which was received and paid to the Treasurer of the State of Maine for credit on accounts from the Town of Waterboro, Maine.

The following licenses were issued:

Ninety-eight (98) Males	\$ 112.70
Thirty-one (31) Spayed Females	35.65
Twenty-two (22) Females	113.30
One (1) Kennel	9.90
Two (2) Males for year 1955	1.80
Total Paid	\$ 273.35

Respectfully submitted,

HARRY A. SMITH,

Town Clerk, 1956.

NOTICE TO DOG OWNERS

Your 1957 Dog License will be due and payable April 1. The fee for which is males and spayed females \$1.40, females \$5.40. If unpaid by June 1, you will be notified by mail and an extra fee will be charged, as permitted by law, then, if unpaid you may be summoned into court which will cost you several times the cost of the license.

Do not look for any bill from Collector or Town Clerk. This is a License, not a Tax, and it is up to you to see that it is paid.

See Revised Statutes, Chapter 100, Sec. 14, 1954 R. S.

L. EVERETT OUTHOUSE
Public Accountant and Auditor
Portland 3, Maine

February 11, 1957

Board of Selectmen
Town of Waterboro
Waterboro, Maine

Gentlemen:

In accordance with your request, we have audited the records of the Town of Waterboro for the municipal year ended January 31, 1957.

The examination was made in accordance with generally accepted auditing standards, and included all procedures which were considered necessary. Insofar as could be determined, within the scope of the examination, the financial affairs of the Town appear to have been administered in a proper manner.

The results of the audit are disclosed in the exhibits and schedules embodied in this report, and fairly present the financial position of the Town of Waterboro, and the results of its operations for the municipal year ended January 31, 1957.

Respectfully submitted,

L. EVERETT OUTHOUSE

Town of Waterboro, Maine

ANNUAL REPORT OF THE PUBLIC HEALTH NURSE

At the completion of our first full year of service together it is again time to review our activities. Your response to the program under the auspices of the State Department of Health and Welfare has been gratifying. Let us see what we have accomplished and what lies ahead.

One of our major accomplishments has been the success of the polio vaccine program, especially in the school age group. Final totals from the four clinics indicate that 150 children have completed immunization against polio. While the vaccine was released for children under five when we were holding our child health conferences this summer, very few parents took advantage of it to have their pre-school children protected. Response was slightly better at the two fall clinics. Considering how many pre-school children there are in Waterboro, we can only hope that many of them have been immunized by their family physician.

Child health conferences were held for the first time in many years. Thirty-nine children under six attended the four sessions. Physical examinations and immunizations against smallpox, whooping cough, diphtheria, and tetanus and polio were completed by the attending physician.

The clinics and child health conferences are open to all residents of the town. The purpose of these community health activities is to demonstrate the importance of regular physical examinations and im-

munizations as one method of preventing illness. The programs for children provide an opportunity to help start children on the road to good health habits.

Because I was not able to secure the use of the audiometer early in the school year of 1955-56, hearing tests were done last spring in the first three grades and teacher referrals from the other grades. This year the testing was done in the fall in grades 1-4-7 and teacher referrals from other grades. A total of 111 were done. Any suspected hearing difficulties were discussed with the teachers and home visits made to acquaint the parents with the problem. Vision re-checking has been done as requested by the teachers and home visits made where necessary. Other health problems have been discussed with the teachers and again home visits made when indicated. Clinic referrals have been made and help secured for correction of physical defects when such assistance has been requested and accepted by parents.

Home visits have also been made to mothers before and after their babies have arrived, to children and adults with health problems, handicapped children, adults, and to known or suspected tuberculosis cases. In the latter visits, we try to help the patient and family accept the illness and understand the reasons and techniques for detection, cure, and prevention of spread. The need for adequate medical attention is stressed and, when requested by the physician in charge, assistance with arrangements for sanatorium admission is given. Requests for X-rays and literature on tuberculosis made to the York County Tuberculosis and Health Association have always been promptly and courteously filled.

Future plans include a program of physical examinations of pupils in selected grades in both schools.

While details are not complete, examinations will probably be given on the basis of parental consent to children in certain grades and teacher or nurse referrals in other grades.

In closing I would like to express my sincere appreciation to everyone who has worked so hard and cooperated so wholeheartedly in helping to support this program.

Respectfully submitted,

HELEN BASSETT, R. N.

Division of Public Health Nursing

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the
Superintending School Committee,
Citizens of the Town of Waterboro:

The present elementary enrollment in the schools of Waterboro is one hundred ninety-four. Grades one and two at East Waterboro have an enrollment of twenty seven each. Grades three through eight at South Waterboro are grouped as follows: Grade 3, 29; Grade 4, 33; Grade 5, 22; Grade 6, 15; Grade 7, 16; Grade 8, 25.

There are fifty-five high school students from Waterboro attending Sanford High School. Of this number twelve are seniors, five juniors, 15 sophomores, and 23 freshmen.

It appears that we will have a minimum of sixty-eight students in high school during the next year. This increase in high school students is reflected in our budget in added tuition charges and the need for additional transportation facilities.

Your committee is continuing the practice of improving the school buildings and equipment. New desks have been purchased for grades 6 and 8.

Although we have some large classes it does not appear that there is any immediate danger of overcrowding at the elementary school level.

In closing I wish to take this opportunity to thank

the members of the school committee, teachers, parents, and friends of the Waterboro schools for their excellent cooperation during the past year.

Respectfully submitted,

WILLARD T. JACOBSEN,

Superintendent of Schools.

STATE OF MAINE

County of York, ss.

To

FORREST LASKEY

A Constable of the Town of Waterboro
in the County of York and the State of Maine

GREETING:

In the name of the State of Maine, you are hereby commanded to notify and warn the Inhabitants of said Waterboro, qualified to vote in town affairs, to assemble at the Town House, in said Town, on Saturday, the 9th of March, A. D., 1957 at 10 o'clock A. M. then and there to act on the following articles, to wit:

Pen Article 1. To choose a Moderator to preside at said meeting.

Article 2. To choose all necessary town officers for the year ensuing.

o Article 3. To see if the town will vote to accept the reports of the several town officers for the year ending February 1st, 1957.

o Article 4. To see if the town will vote that all unexpended balances in the several departments of Town

Government of Waterboro be reappropriated and added to the appropriations for 1957 made this day.

Finance Committee recommends: Vote "YES" to transfer all balances.

Article 5. To see what sum of money the town will grant and raise for Winter Roads for the year ensuing. *//*

Finance Committee recommends: \$3500 from Taxes. \$1500 from Excise Taxes.

Article 6. To see what sum of money the town will grant and raise for Roads and Bridges for the year ensuing.

Finance Committee recommends: \$2500.

Article 7. To see what sum the town will grant and raise for Pond Roads for the year ensuing.

Finance Committee recommends: \$1000, work to be completed before July 1st, 1957.

Article 8. To see if the town will vote to grant and raise a sum of money for applying a seal coat of tar on roads that were tared for the first time last year.

Finance Committee recommends: \$1200 from Excise Taxes.

Article 8-A. To see if the town will grant and raise a sum sufficient to tar the steep hill, a distance of 750 feet, more or less, on the Westwood road which leads to Ossipee Lake.

Finance Committee recommends: No recommendation.

Passed
Article 8-B. To see if the town will vote to grant and raise a sum sufficient to tar the piece of untared road on Roberts Ridge, a distance of seven-tenths of a mile, more or less.

Finance Committee recommends: \$2000 from Excise Taxes.

Passed
Article 8-C. To see if the town will vote to grant and raise a sum sufficient to tar the road leading from Route 202 to the residence of L. Donald Ford, a distance of eight-tenths of a mile.

Finance Committee recommends: Surfacing to come from Roads and Bridges and \$1000 for Tar from Excise.

Passed
Article 9. To see what sum the town will grant and raise for the Support of Charities for the year ensuing, the same being in lieu of former appropriations entitled: Support of Poor, and including monies to be paid for the Old Age Assistance, Aid to Dependent Children, etc.

Finance Committee recommends \$3000.

passed
Article 10. To see what sum the town will grant and raise for Incidentals for the year ensuing.

Finance Committee recommends: \$2000.

Passed
Article 11. To see if the town will vote to grant and raise the sum of \$1,200.00 for State Aid Construction in addition to the amounts regularly raised for the care of Ways, Highways and Bridges), under the provisions of Section 44 and 49, Chapter 23, R. S. 1954.

Finance Committee recommends: \$1200.

Article 12. To see what sum the town will grant and raise for the maintenance of Free High School, Common Schools, Text Books and Supplies, Tuition and Superintendence, Fire Insurance, School Lunch and Superintending School Committee Salaries.

Finance Committee recommends: \$40,100.

Article 13. To see what sum the town will grant and raise for High School Transportation for the year ensuing.

Finance Committee recommends \$9500

Article 14. To see what sum of money the town will grant and raise for Repairs, Improvements and Insurance for School Buildings for the year ensuing.

Finance Committee recommends: \$1500.

Article 15. To see what sum, if any, the town will vote to grant and raise for Civil Defense for the year ensuing.

Finance Committee recommends: \$100.00.

Article 16. To see if the town will vote to grant and raise a sum sufficient to pay the County Tax for the year ensuing.

Finance Committee recommends: Sum sufficient.

Article 17. To see what sum of money the town will grant and raise for the maintenance of a Town Dump for the year ensuing.

Finance Committee recommends: \$200.

Article 18. To see if the Town will vote to pay the Collector of Taxes a Compensation of $1\frac{1}{2}\%$ as compen-

sation for services as such collector for all taxes collected for the year ensuing.

Finance Committee recommends: $1\frac{1}{2}\%$ on 1957 Tax Commitment and 5% on Excise Taxes.

Article 19. To see what sum of money the town will grant and raise for Town Officers' Salaries for the year ensuing.

Finance Committee recommends:

Chairman Selectmen	\$ 720.00
No. 2	600.00
No. 3	600.00
Treasurer	600.00
Town Clerk	~~25.00~~
	<u>195.00</u>
	\$2,545.00
Transfer 1956	451.70
	<u> </u>
Recommend Raise 1957	\$2,093.30

Article 20. To see if the town will grant and raise a sum of money for Health Nursing in Waterboro for the year ensuing, and if so, how much, to be expended by the Maine Health and Welfare, Bureau of Health, for local service.

Finance Committee recommends: \$125.00.

Article 21. To see if the town will vote to grant and raise a sum of money for the Observance of Memorial Day.

Finance Committee recommends: \$100.00.

Article 22. To see if the Town will grant and raise the sum of \$5000.00 to deposit in the Canal National Bank of Portland same to be known as the Waterboro

*try to raise amount
remainder from town special*

New School Building Fund for future use and that this article appear in every Town Warrant until a sum sufficient has been established to build a school where needed.

Article 23. To see if the Town will grant and raise a sum of money and, if so, how such, to be used in connection with the Red Cross funds, for the maintenance of a Dental Clinic for School Children for the year ensuing

Finance Committee recommends: \$100.00.

Article 24. To see if the town will vote to grant and raise a sum of money to be paid to the Maine Publicity Bureau to advertise the natural resources, advantages and attractions of the State of Maine, under the provisions of Chapter 91, Section 108 R. S. of Maine 1954, and if so, how much.

Finance Committee recommends: No recommendation.

Article 25. To see what sum of money the Town will grant and raise for the benefit of the Waterboro Fire Department for the year ensuing.

Finance Committee recommends \$3200.00.

Article 26. To see if the Town will vote to authorize the Selectmen and Treasurer to borrow money on the credit of said Town to pay current bills in anticipation of taxes.

Finance Committee recommends: Ought to pass.

Article 27. To see if the town will vote to grant and raise a sum of \$300.00 for interest charges on tax

anticipation notes.

Finance Committee recommends: \$300.00.

Article 28. To see if the town will vote to authorize the Collector to charge interest at the rate of $1\frac{1}{2}\%$ per month on all 1957 taxes unpaid 1958, February 1st, from October 1, 1957.

Finance Committee recommends: Ought to pass.

Article 29. To see if the Town will vote to enter into a contract with Central Maine Power Company for a term of five (5) years, and extending thereafter from year to year until cancelled, by either party whereby the Town, in consideration of Central Maine Power Company's giving to the Town the privilege of controlling the gate in the dam at the outlet of Little Ossipee Lake from June 1 to Labor Day in each year for a term of five (5) years and continuing thereafter from year to year until cancelled, will pay to the Company the sum of \$75.00 per year plus all municipal taxes laid or assessed on the Chadbourne Mill Privilege, so-called.

Finance Committee recommends: Ought to pass.

Article 30. To see if the Town will vote to authorize the Selectmen to execute and deliver the contract referred to in the preceding Article.

Finance Committee recommends: Ought to pass.

Article 31. To see if the Town will vote (a) to enter into a street lighting contract with Central Maine Power Company for a term of not less than ten (10) years covering the Town's existing street lighting system and such additional installations as may be in-

about picking up paper gates after first of the year.

stalled in accordance with the provisions of the contract the Town to pay to Central Maine Power Company for the street lighting service furnished and delivered to it under the provisions of the contract the sums prescribed by the Company's applicable rate schedule, which in no event shall be less than 90% of the maximum amount of the Company's monthly billing to the Town for the street lighting service contracted for under the Company's applicable rate schedule during the previous twelve months' period expiring on the anniversary of the contract, and (b) to authorize the Selectmen or the Town Manager to execute and deliver to Central Maine Power Company said street lighting contract.

Finance Committee recommends: Ought to pass.

Article 32. To see if the Town will vote to raise and appropriate the sum of \$1900.00 necessary to cover the street lighting service including beacons and town house lights furnished to the Town for the current fiscal year under the contract with Central Maine Power Company.

Finance Committee recommends: \$1900.00.

Article 33. To see if the Town will vote to grant and raise a sum of money for the suppression of the Gypsy and Brown Tail Moths and the suppression of the Dutch Elm disease in town.

Finance Committee recommends: \$40.00.

Article 34. To see if the Town will vote to authorize the Selectmen to borrow from the Springvale National Bank money to cover overdrafts that could be

created in Winter Roads or Charity accounts to be raised by Taxation the following year.

Finance Committee recommends: Ought to pass.

Article 35. To see if the town will vote to authorize the Selectmen to sell at Public Auction all Tax Title property held by the Town of Waterboro with the understanding that the purchaser be responsible for establishing the boundary lines.

Finance Committee recommends: Ought to pass

Article 36. To see if the Town will grant and raise a sum of money to patch the sides and tar the parts of Ossipee Hill road that was not tared last year although it was voted at the Town Meeting 1956 to tar to the Lewis Wood estate.

Article 37. To see if the Town will grant and raise a sum of money sufficient to buy two lots of land, one in each end of the Town where there is good gravel. This Town has spent the sum of \$10,000.00 in the last ten years on gravel and only collected taxes for waste land on the pits where the gravel is bought. Let's have our own gravel pits and save money so all the citizens will benefit.

Article 38. To transact any further business that may lawfully come before said meeting.

The Selectmen hereby give public notice that for the purpose of correcting and making additions to the check list of voters, they will be in session at the Town House at 9 o'clock on the 9th day of March, 1957.

And they give further notice that the polls for the election of Town Officers under Article 2 of this Warrant, will be open fifteen minutes after the completion of business under all other articles of this Warrant, and remain open until 7 o'clock P. M. of said day.

ANDREW C. WOODSOME,

WILLIS A. LORD,

Selectmen of Waterboro.

Bring Home The BACON . . .

Do you "bring home the bacon" in the form of a regular pay envelope or check? Make sure that you keep a healthy slice of it for the future benefit of your family and yourself. Best "home" for the part of your "bacon" that you aim to hold onto is in your savings account, where compound interest can add steadily to its size. Decide how much you can reasonably expect to save each week. Then faithfully deposit that amount in your account, first thing every payday!
